The Library Learning Commons will also be open so that you can see the dynamic collaborative space. Not all teachers of grade 9 classes will be present and the focus of the evening is providing

parents/guardians with a snapshot of the kind of work that will be done in classes this year. Be sure to visit the classes that are scheduled for semester 2 as well! Learn about class websites / google classrooms, resources, homework expectations and more.

Families wishing to hear about the supports provided by the Special Education department will be called to the auditorium at 7:45 p.m. for a brief presentation by Susan Honess, the ACL of Special Education about how FHCI supports students with special education needs. The evening will end at approximately 8:00 p.m.
