

June 25, 2021

Dear Students, Staff, Parents and/or Guardians of Forest Hill CI:

On behalf of the Toronto District School Board, we wish to inform you that on Thursday, June 24, 2021, the Board approved the promotion of Yvette Duffy to Principal, Forest Hill CI, effective September 1, 2021. As outlined in our June 15, 2021 letter to the Forest Hill community, this vacancy resulted from the appointment of Reiko Fuentes to the position of Centrally Assigned Principal.

Ms. Duffy is currently the Vice Principal of Secondary Alternative Schools West. She has also served as the Vice Principal at Marc Garneau CI and Scarlett Heights Entrepreneurial Academy. Prior to becoming an administrator, Ms. Duffy was the Curriculum Leader in the Canadian and World Studies departments at Lawrence Park CI and Marc Garneau CI. Ms. Duffy brings a wealth of experience in curricular and instructional leadership which she successfully demonstrated as a teacher in a variety of schools and as the Centrally Assigned eLearning Contact as part of the Board's former Urban Diversity Strategy.

Ms. Duffy also brings strengths in relationship building, consensus building, partnership development and supporting the diverse learning needs of students. She is a dedicated educator and is looking forward to working collaboratively with students, staff, parents, guardians, and the wider Forest Hill community to support success for all of our students. She is very excited to come to Forest Hill as Principal and is looking forward to working with Vice Principals Joseph Ghassibe and Anita Love as your new Administrative team.

Please join us in welcoming Yvette Duffy to Forest Hill CI.

Sincerely,

Ron Felsen
Superintendent of Education, Learning Network 6

Shelley Laskin
Trustee, Ward 8
