

TDSB Student Login Instructions

This article will walk you through logging in to a TDSB student account.

Depending on the service that you are logging in to, you will need the following student information:

- 9 digit TDSB Trillium student number (not the Ontario Education Number from the report card)
- TDSB email address (in the format of firstname.lastname@student.tdsb.on.ca) ([see below](#))
- TDSB password

If the student is new to TDSB or has never logged in, their password will be set to a default password, known as the Shared Secret Password.

1. Open a web browser and navigate to <https://aw.tdsb.on.ca>.
2. Enter the **9 digit student number (1)**, and the **password (2)**. Click **Login (3)**

The screenshot shows the 'AW Login' page in a web browser. The URL is 'aw.tdsb.on.ca/tdsblogin.aspx'. The page features the 'AW Academic Workspace' logo and a group of students. Below the logo is a 'Login' section with a lock icon and the text 'Please fill in the required information to proceed to Academic Workspace'. There are two input fields: 'Username' containing '333333333' and 'Password' containing '*****'. A 'Login' button is located below the password field. Red circles with numbers 1, 2, and 3 are overlaid on the form: 1 is on the Username field, 2 is on the Password field, and 3 is on the Login button. A 'Forgot your password?' link is also visible.

If this is the first time you are logging in with the default password, you will be prompted to change the password.

The screenshot shows the 'AW Academic Workspace 3.0' logo at the top. Below it is a 'Login Change Password' section with a lock icon and the text 'You are required to change your password. Please fill in the required information to proceed to Academic Workspace'. There are four input fields: 'User Name' (pre-filled with '348'), 'Current password', 'New Password', and 'Confirm New Password'. At the bottom, there are two buttons: 'Change Password' and 'Cancel'.

You are now successfully logged in to TDSB's **Academic Workspace** portal.

Finding your Student Email Address

Some TDSB resources such as Brightspace and the [TDSB Health Screening App](#) require you to login with your **email address** instead of the **student number**.

To find your email address:

1. Navigate to <https://aw.tdsb.on.ca> and login with your TDSB Student Number and password.

2. In the top right corner, click on the **profile icon**.

3. You will be shown the student email address

Support

- If you don't know your child's student account information, please contact IT Services Support via [Student Virtual Learning IT Support](#).
