Hello Forest Hill Families:

Thank you very much to everyone who attended our SAC Meeting on Wednesday evening. This is an exciting time of the year as we continue to set our strategic direction with our School Improvement Plan and budget priorities. On behalf of the Administrative Team, thank you for engaging in meaningful discussion about our areas of focus: student achievement, equity and well-being, and more specifically, the ways that we will work together to fulfill our responsibilities to engage and serve our students in these key areas. Our school budget and funds generated through fundraising will support our school improvement objectives and we are committed to ensuring that families understand how spending impacts and supports each learner. Please join me prior to our upcoming SAC Meeting at 6:00pm on November 12th to explore our school budget and our budget priorities for 2019-2020.

Please remember to keep our students safe by following some basic traffic rules:

-Dunloe Road becomes a **one way street going South** at the beginning and end of the day in order to allow for drop off. Please **do not park on the East side** of the street as it blocks the ability for cars not stopping to move along the road. **-Hawarden becomes a one way street going West** at the beginning and end of each day to allow the Forest Hill students who arrive via bus to safely be dropped-off and picked-up. **Please do not go East along Hawarden at these times.** **-Do not stop or park in the bus loading zones on Hawarden.** When cars are parked illegally, the buses have difficulty turning the corner. The buses then stop the traffic and make it very dangerous for our students who use the school buses. **-As a courtesy to our neighbours, please do not block the ends of their driveways.** We will be monitoring these areas closely and Enforcement Officers from Toronto Police will be contacted to monitor as well.

As always, thank you for your continued support and partnership.

Have a fabulous week!

Remembrance Day

Hello from the Forest Hill Remembrance Day planning committee!

We would like to involve the community by enlisting your help in contributing to a slide show presentation. We would love to collect any photographs/names/dates and stories related to your family's experiences during conflicts. We imagine that many of you have family history such as relatives who fought in the world wars or family members who suffered during these times or other conflicts.

In an effort to make Remembrance Day more personal and meaningful we are encouraging you to send this information to adi.narbaev@student.tdsb.on.ca and ian.speck@tdsb.on.ca. We already have one slide from Ms. Lafranier whose grandfather was stationed as an airman in England with the Canadian Air Force. We would love hundreds! Please send us anything you have!

Thank you in advance for your support,

Ian Speck and Adi Narbaev
