

# Forest Hill Falcon

Forest Hill Jr. & Sr. PS

Week of September 16, 2019

Hello Forest Hill Families:

One of our objectives is to provide our students with unique and diverse opportunities, resources and experiences. We can't do this without the support of the entire Forest Hill Community.

Please consider completing a School Council Nomination/ Volunteer Form. On this form you will also find a number of different volunteer roles that can work around your schedule and would really make a huge difference!

Please consider getting involved and let's work together to make 2019-2020 an incredible year for everyone at Forest Hill!

Please click here:  
<https://forms.gle/LJQtgZEHDKPOszC7A>

We look forward to seeing you at our first [SAC Meeting this Wednesday, September 18<sup>th</sup> at 6:30pm](#). I look forward to seeing you there as we discuss plans for this year and beyond.

#### Transportation Update:

Route 761 (AM and PM) seems to be running smoothly once again. Thank you to families for your patience and understanding as we continue to work with those involved to ensure safe and reliable transportation for our eligible students.

We understand that a few morning/afternoon routes have been experiencing delays. We continue to monitor the timing of each bus. Thank you again for your support!

## Parking Reminders

Safety is always the primary focus for everyone at the school. In order to help keep our students safe during morning entry and afternoon dismissal, please remember the following expectations:

- 1) Dunloe Road becomes a **one way street going South** at the beginning and end of the day in order to allow for drop off. Please **do not park on the East side** of the street as it blocks the ability for cars not stopping to move along the road.
- 2) Hawarden becomes a **one way street going West** at the beginning and end of each day to allow the Forest Hill students who arrive via bus to safely be dropped-off and picked-up. **Please do not go East along Hawarden at these times.**
- 3) **Do not stop or park in the bus loading zones on Hawarden.** When cars are parked illegally, the buses have difficulty turning the corner. The buses then stop the traffic and make it very dangerous for our students who use the school buses.
- 4) As a courtesy to our neighbours, please **do not block the ends of their driveways.**

## Important Items for This Week

...
