

Dear future Intern, (We mean you Maddie!)

Welcome to the greatest coop job ever!

As intern number 18, out of 2  
(fluctuates, but never higher than 3rd),

I can tell you; you will have  
a wonderful time here. Your

co-workers are amazing... and

then there is rodway. Please ask

him if he wants to fight. He

will understand. Ask to hear

the band. And make sure

you ask about canoeing on the

Don. Beware Dean will make you

touch dead things. Go out to the

forest and listen, look, breathe, feel.

(Amazing place, amazing people, amazing  
experience.)

Winter  
2014

Best wishes, Elliott & Caitlyn.
