

Dear Parents of **Frankland Community School**

My name is **Kristine** and I am proud to operate the local Lunch Lady kitchen that serves schools in your area.

Every lunch:

- meets or exceeds provincial nutritional standards
- is portion-controlled and designed with kids' good health in mind
- is prepared daily with care in a local nut free, school safe commercial kitchen
- can be modified for kids with allergies or special food needs
- is delivered to your child's school by a smiling Lunch Lady staff member
- includes all applicable taxes
- includes a contribution to your school
- gives busy parents a welcome break!

We will be starting our service on Monday, November 6th with our Blast Off menu and our full regular menu will be available for ordering Wednesday the 8th and every Monday and Wednesday following. Please note that all ordering is online only.

All details on how to order will be on the paper menus coming home with your child- there is no minimum and you can order whatever you want. If you have a problem with ordering online please call me and I will be happy to assist you- my kitchen number will be on the menus.

Click on this link after you receive your menus to register for an account, set up accounts for your students or login and see the menu choices. <https://order.lunchlady.ca/Home.aspx>
