

# Increase Your Success

## Tutoring for grades 1-12 (ages 6–18)

The Increase Your Success tutoring program offers academic assistance via one-on-one Zoom and onsite group sessions, for mathematics, science, and language arts (English).

### Increase Your Success tutoring provides students with:

- A pre-assessment session to determine a learning plan tailored to their needs.
- One-on-one online sessions via Zoom are available for students that need individual attention, allowing them to follow their learning plan, learn at their own pace, and focus on any areas of difficulty.
- Onsite group tutoring supports students in following their learning plan in a supportive and social environment.
- Effective study and time management techniques to further aid them in their educational goals.
- Help with school-assigned homework and projects so they don't fall behind.

#### Details:
