#### PRINCIPAL CORNER:

**Our students have been creative and cooperative as we play and build with the snow. With play at times comes conflict. We are all working at a consistent message to ensure happy and fun play outside.**

- We can build with the snow, not throw or kick the snow
- We can share our creations with pictures/do not destroy other student building
- Playing with the snow does not require body contact

**Please continue to ensure students have all the outerwear required to be warm and dry when playing in the snow.**

#### MACKIE COMMUNITY TOY AND GIFT DRIVE:

**December 2 – 13 we will be collecting new unwrapped toys and gifts for donation to a local charity. If you would like to participate, please drop your toy off in the main office. Thank you**
