<b>GEORGE S. HENRY ACADEMY'S COURSE WORK POLICY</b>
<p>For each evaluation, the teacher will inform students of the <b>due date</b> and the <b>ultimate deadline</b>. The ultimate deadline is the last opportunity for students to submit an assignment for evaluation. Teachers may also use a variety of other methods for dealing with late and missed assignments at their discretion.</p> <p><b>Strategies to assist students in meeting deadlines include:</b></p> <ul style="list-style-type: none"> <li>• Peer tutoring</li> <li>• Using the school app</li> <li>• Using a personal agenda</li> <li>• Seeking extra help from teachers</li> <li>• Requesting for assistance with time management and organizational skills</li> <li>• Getting help from parents/guardians</li> <li>• Getting help from a caring adult in the school</li> </ul>

<b>ASSESSMENT AND EVALUATION OF STUDENT ACHIEVEMENT</b>
<p>Each course follows an achievement chart which enables teachers to make judgments about student work that are based on clear performance standards and on a body of evidence collected over time. These include varied types: quizzes, descriptive feedback, labs, assignments, group work, tests, presentations, and examinations.</p> <p>Additional information can be found on the Ministry of Education website noted within the course description.</p>
