

Vanier Community Newsletter – Week 18 (January 19th, 2024)

Dear Vanier Family,

Today, we completed our last FULL week of regular classes for semester 1. Next week, students will continue to attend classes as per our regular day schedule on Monday and Tuesday. Formal exams commence on Wednesday, January 24 and run until January 30; students will only attend school on these days IF they have an exam. January 31 will be our marks review day. All students will attend school on this day to review their exams (if they wrote one) and final marks in their courses. A special schedule will be followed for this day.

On February 1, students will again be away from school as this is a PA (Professional Activity) day. We welcome back all our students **on Friday, February 2, for the official start of semester 2.**

Before we say goodbye to semester 1, I want to recognize the students of the month for December. Congratulations to the following students for their exemplary character, school spirit, and academic achievement.

<p>Leen Al Diab</p> 	<p>Juanita Ibana</p> 	<p>Gisou Hamdard</p> 
<p>Hamza Rajabli</p> 	<p>Nastya Roizman</p> 	<p>Robin Stephenson</p> 

We wish all our students much success on their exams and culminating tasks. We know this is a very stressful season, but we encourage students to contact our administration, child and youth worker, social worker, and guidance counsellors if they need support.

Online Interpreter Training Opportunity

The TDSB will be offering the opportunity to 85 TDSB parents/caregivers to receive online interpreter training in TDSB's most requested languages! If you are a parent/caregiver with a child registered in the TDSB with the following criteria, then this opportunity is for you.

- has full proficiency in English and another language (i.e., Pashto, Farsi, Roma, Ukrainian);
- is interested in being trained as an interpreter to work with the TDSB;
- is comfortable with virtual/online learning;

TDSB is the largest school board in Canada and one of the most diverse. Twenty three percent (23%) of our students were born outside of Canada and there are over 120 languages spoken by TDSB students and their parents/caregivers. Research also identifies communication between the home and the school as essential to student success. Ensuring equitable engagement opportunities for our multi-lingual parents/caregivers, while maximizing their language assets, will enable the TDSB to improve communication between parents/caregivers and the school/Board. General Information & News

- Student Activity Fee:** This year's student activity fee (SAF) will be \$35 per student OR \$60.00 if you have two children in our school. This SAF fee pays for a Yearbook, student ID card, and Student Council activities. **By the end of this month, we will have to submit to our publishers the number of yearbooks to produce for our school. As such, parents are encouraged to use School Cash Online to pay their child's student activity fee, so they won't miss out on the yearbook, as soon as possible.** If needed, financial assistance is available to offset the activity fee. You may contact the principal to provide/obtain more information. **REMINDER!!**

You need a
yearbook!
(just sayin'...)

- Health and Safety Measures.** To help reduce the risk of illness from Covid-19 and other viruses, students are encouraged to stay home when sick, complete the school screening (self-assessment) before coming to school, clean their hands often and stay up to date on their vaccinations. While mask-wearing is not mandated, it is still recommended that these are worn when indoors.

Equity

Tamil Heritage Month. Tamil Heritage Month is proudly recognized during the month of January at the TDSB since January 2016. It has also been marked across the province of Ontario since March 2014 with the implementation of the Tamil Heritage Month Act, 2014 (<https://www.ontario.ca/laws/statute/14t04>). Further, Tamil Heritage Month is formally recognized

nationally since January 2016 by the passing of a motion which reads, that, in the opinion of the House, the government should recognize the contributions that Tamil-Canadians have made to Canadian society, the richness of the Tamil language and culture, and the importance of educating and reflecting upon Tamil heritage for future generations by declaring January, every year, Tamil Heritage Month.

Toronto has the largest Tamil population outside of the South Asian subcontinent with thousands of TDSB students and staff members identified as Tamil. The importance of building awareness, creating a strong self-identity, and understanding one's own roots and rights are important objectives of the activities being planned for this month.

This year, the theme for Tamil Heritage Month is ***Our Memories, Our Truths, Our Paths Forward: A Mosaic of Tamil Identity***. Memories play an integral role in how we shape our stories and identities. They are what we tell ourselves about who we are, and they form the basis

for how people know us as well as how we perceive and know the world around us. Memories also shape our truths, and it is within our memories and truths that we set goals for ourselves and move forward, individually, and collectively as a group of people.
