

Vanier Community Newsletter – Week 11 (Nov. 17, 2023)

Dear Vanier Family,

This week was a short one for students as our staff were engaged in professional learning on Friday. We still packed in a lot, however. Notably, our DECA club hosted a Krispy Kreme bake sale on Wednesday. DECA (Distributive Education Clubs of America) is a not-for-profit career and technical student organization that prepares emerging leaders and entrepreneurs in marketing, finance, hospitality, and management in high schools and colleges around the globe. We are so pleased to have a thriving DECA club in our school. While on the topic of clubs, please know that here at Vanier, we have numerous clubs up and running that cater to a myriad of students' needs and interests. For example, we have affinity clubs such as our GSA (Gender Sexuality Alliance) and the BCU (Black Collective Unit), numerous arts clubs (e.g., Band and Choir), an afterschool Fitness club and WAVE, a club that focuses on students' mental health and wellbeing, to name a few. For a complete list of all our clubs, please check out our SAC webpage, <https://sites.google.com/tdsb.on.ca/gvssac/vanier-clubs>.

This past Wednesday, over one hundred of our students voluntarily participated in the Canadian Senior and Intermediate Mathematics Contests. Each year, several of our students finish in the top 10% of achievers across Canada in these contests. We look forward to receiving similar results in the coming weeks.

On Wednesday, we were also privileged to be one of the stops for the Government of Canada Interactive Skills Trade Tour. Our students got to learn about exciting careers in the trades through an interactive display (see picture on side).

This past Thursday, report cards were emailed out. If you did not receive your child's report card, please don't hesitate to contact Vice-principal Lily.Pereira@tdsb.on.ca

Last, but not least, next Wednesday is a late start day, so classes will begin at 9:55 am.

Have a great weekend, Vanier!
