

Vanier Community Newsletter – Week 6 (Oct 13, 2023)

Dear Vanier Family,

Even though this past week was a short one due to the Thanksgiving Holiday, we still crammed in a lot at Vanier. For example, on Tuesday and Wednesday, Toronto Public Health hosted a Dental Screening Clinic for our students. Many of our classes were on field trips this past week, including all our grade 9 science students visiting the Toronto Zoo and our Grade 12 Social Justice

and Equity and Grade 12 Law classes at the Toronto Holocaust Museum. Field trips have always been opportunities to extend our students' learning. We hope that in our classrooms and on field trips like the ones to the Holocaust Museum, our students will learn to *respect, love, and live in harmony with others who don't look like themselves or know the world as they do.*

We held our annual Post-Secondary Fair on Thursday, welcoming representatives from over 20 post-secondary institutions and programs. Our Grade 11 & 12 students, intending to go to college, university, or enroll in apprenticeship programs after high school, had the opportunity to learn more about their respective programs (see picture below). We will host an upcoming session for parents/caregivers to learn about the post-secondary application process. Details of this session are shared further down in this newsletter.

I want to say a special thanks to all the Peel Program (program for our students with developmental disabilities) staff who helped to organize a wonderful parents/caregivers information night this past Wednesday. It was wonderful to see so many of you there!

Last, but not least, please remember next Wednesday (Oct. 18) is a late start day so classes begin at 9:55 am.

Have a wonderful weekend, Vanier!

6. **TDSB Connects App for Students.** The TDSB Connects app is available to all students through the [Google Play Store](#) and the [Apple App Store](#). The app contains school announcements and integrates with the school Google calendar and is an excellent way to make information available to students. Both these tools also link into the school's Brightspace Homepage. If possible, students are highly encouraged to download the APP on their devices.
7. **Health and Safety Measures.** To help reduce the risk of illness from Covid-19 and other viruses, students are encouraged to stay home when sick, complete the school screening (self-assessment) before coming to school, clean their hands often and stay up to date on their vaccinations. While mask-wearing is not mandated, it is still recommended that these are worn when indoors.

Equity

The TDSB's core commitment is to improve well-being and achievement for all our students through engaging, equitable learning environments, inclusive curriculum, and culturally rich learning opportunities, to ensure that all our students and staff gain knowledge and appreciation of the heritages, histories, and achievements of the Board's many diverse communities. While there are designated History/Heritage Months (H/HM) in the TDSB, our city, and at times our nation, learning about our students' cultures and history is not to be limited to one month but is intended to be embedded within every classroom, across every curriculum, and throughout the school year.

Islamic Heritage Month (IHM) is proudly recognized during the month of October at the Toronto District School Board. Our main theme for the month is **Salaam: Joy, Excellence, Belonging**. Islamic Heritage Month has been recognized across Canada in different ways since October 2007

The Toronto District School Board proudly recognizes **Somali Heritage Month during the month of October**. The TDSB has been marking Somali Heritage Month since June 2016, and we continue to expand on the selected theme **Educate. Elevate. Excel.**
