

Vanier Community Newsletter – Week 30 (April 17, 2025)

Dear Vanier Family,

Last Thursday, Vanier's Badminton Team participated in the North Region Badminton Championship games. After an outstanding performance, Xiaoyu Zhang earned a bronze medal in the Girls' Singles A category. Xiaoyu has also qualified for the City Championship. She demonstrated remarkable talent, focus, and determination on the court. Congratulations Xiaoyu!

This past week was another full one for staff and students at Vanier. Teachers submitted mid-term grades, and there were a plethora of field trips and extracurricular activities. For example, on Tuesday, our school hosted a Girls' Rugby Tournament as well as indoor cricket matches. On Wednesday, our long-awaited Track & field team participated in their first Track Meet, our Chess Club took part in a chess tournament at the University of Toronto (U of T), some of our science students wrote the U of T's National Biology Competition, and students from our BCU were on **A Day of Discovery excursion at Sunnybrook Health Sciences Centre**. *A Day of Discovery* is designed to give Black high school students the opportunity to explore various research labs and learn about careers in the healthcare sector, as well as the exciting work being done in the medical sciences. Students engaged in hands-on, interactive activities, toured a range of labs, connected with scientists, and explored the latest advancements in medical research.

Our students were also busy this week, finishing their preparations for **VIBE** (Vanier's International Big Event). VIBE is Vanier's yearly talent show. Our amazing performers have worked hard for months to bring their absolute best to the stage! VIBE will be happening **next Thursday, April 24th**. We ask that guests arrive at 5:30 pm to be seated before the show's 6:00 pm start. The show will run for approximately two hours. Students may purchase tickets for themselves, their families, and friends during lunch every day from now up to VIBE for \$5 each. A limited quantity of tickets will also be available on the day of the show at the front foyer (Cash only). We hope to see you there!

Last, but not least, wishing everyone celebrating Easter, a wonderful season!

## Student Vaccination – URGENT!!

Some of you have received a letter regarding outstanding immunizations. As mentioned, students will be suspended from school if they do not have their updated immunizations. If your child has received their vaccines from their primary care provider but hasn't reported them to Toronto Public Health (TPH), please click on this link to do so: [Report Student Vaccination](#). (see poster below).

Students who still need to get vaccinated can book an appointment at one of Toronto Public Health's Community Clinics located at Civic Centers throughout the city using this link: [Book Student Vaccine Appointment](#) or call (416) 338-7600 to book. (see poster below).

Students who are not in compliance will receive a final reminder (suspension order) by mail. They will have at least 15 school days from the suspension order to get the required vaccines or submit a valid exemption before the start of the suspension period.

The start of active suspension will commence between April 8 - May 2. Suspension periods are for 20 school days or until requirements are met. With the school year rapidly drawing to a close, you do not want any disruption in your child's education, so report or get their vaccination done today! Thank you!

This is certainly one of the highlights of the school year as we celebrate this important milestone with our graduates. As we begin to plan for this day, students will be asked in a few weeks to:

- a) **Select their gown size.** The school will loan students graduation gowns for the day, which students must return at the end of the graduation ceremony. To complete their outfit, students will wear a graduation cap and tassel, which they can keep. Students/families will be asked to contribute \$5.00 (through cash-on-line) to purchase their cap and tassel.
- b) **Nominate themselves or others for a graduation award.** Numerous awards, including **valedictorian**, are given to graduates each year who meet specific criteria. A Google form describing these awards will be shared with students shortly. Students can apply for these awards if they meet the criteria. The awards committee will review all the applications and decide on the winning candidate (excluding, valedictorian).

## EQUITY

### Sikh Heritage Month @ the TDSB

Sikh Heritage Month has been proudly recognized at the Toronto District School Board (TDSB) since 2016 as the Board of Trustees voted to designate April of each year as Sikh Heritage Month making the TDSB the first school board in Canada to do so. Sikh Heritage Month is recognized nationally across Canada.

This theme for Sikh Heritage Month 2025 is **Ekta (Oneness), Solidarity, and Resilience.**

Educational offerings for students, staff, and the community are inspired by Guru Nanak's teachings on justice, equality, and community. These principles challenge discrimination, combat bullying, and promote inclusivity.

By celebrating Sikh diversity and shared humanity, we foster dialogue, learning, and collective action. Through storytelling, workshops, and school-wide initiatives, we highlight how Sikh teachings inspire unity and empower students to stand against injustice with courage, compassion, and Chardi Kala (relentless optimism).
