

Vanier Community Newsletter – Week 34 (May 16, 2025)

Dear Vanier Family,

As you have seen all year, Vanier is a busy place. Every week, numerous field trips provide our students with the opportunity to actively engage in their learning. This past week Wednesday, for example, had three field trips just on Wednesday alone! **Students in our NAC course (Expressions of Aboriginal Cultures) visited the Art Gallery of Ontario (AGO)** to explore the work of contemporary indigenous artists, analyze connections to the land, identify recurring themes and symbols, and understand Indigenous perspectives and world views.

Students from our inaugural MSA (Muslim Student Association) club **attended the 2nd annual TDSB's MSA conference, titled "Muslim Voices, Shaping Choices"**. This unique event brought together over 350 students from over 40 schools across the TDSB, representing their respective MSAs. The conference featured various workshops facilitated by students, community educators, and organizations, in collaboration with the Equity, Anti-Racism, Anti-Oppression department and the Center of Excellence for Black Student Achievement. The event aimed to create a safe, inclusive space for Muslim youth to affirm their identities, amplify their voices, and share their experiences. Special thanks to our students for representing Vanier so well at the conference and to their supervisor, Mr. Husain, for supporting them (See pic below).

Our 3rd field trip on Wednesday was just a stone's throw away from our school! Students in our music, drama, and DD classes walked over to our neighbouring middle school, **Woodbine MS, to watch their Beauty and the Beast** production. Thanks, Woodbine, for inviting us to witness the brilliance of your students.

EVEN MORE FIELD TRIPS....

While it technically was not classified as a “field trip”, students in our NAC and NBE spent a period away from their classroom this past Tuesday – as they were involved in a massive garden day – where they cleaned up our water beds and planted plants – which is part of our Indigenous Garden initiative (enjoy some picks below). We are immensely grateful to our students for their active participation in this initiative. Huge thanks also to their teachers, Ms. Davison, Mr. Bodden, Ms. Manji, Mr. Sproule, Mr. Laufer, and Ms. MacFarland for providing this wholesome experience for our students.

The week ended on Friday with two addition field trips – a bus load of students in our PEEL department went on their trip to the Toronto Zoo and had a blast as usual. Meanwhile, our **Grade 10 French students had a unique and engaging experience at Patisserie La Cigogne**. They participated in an authentic French café experience and were involved in an interactive cake-making demonstration, truly immersing themselves in the French culture.

Next week, our students will participate in trips outside of the GTA. For example, **from May 21 to 23rd, our grade 10 STEM+ students will be on a field trip to Ottawa as part of their CIVICS course** experience, where they will learn about the Canadian government and its institutions. Some of the highlights of their trip will include guided tours of the Supreme Court of Canada and Parliament and visits to the Centennial Flame, ByWard Market, and the Canadian Science and Technology Museum, to name a few. We wish our students a safe, educational, and enjoyable time.

On May 22, another set of Vanier students will head to University of Western Ontario in London, Ontario, to participate in the Science Olympics, a competition that tests their scientific knowledge and skills. We wish them much success in their competitions.

Last, but not least, please remember there are no classes next Monday as it's **Victoria Day**.

Have a great long weekend, Vanier!

The start of active suspension will commence between April 8 - May 2. Suspension periods are for 20 school days or until requirements are met. With the school year rapidly drawing to a close, you do not want any disruption in your child's education, so report or get their vaccination done today! Thank you!

I See You, Mama: Black Mothers Reimagining Schools for Their Children

What does leadership look like when Black mothers are at the centre of improving Black children's outcomes? How do Black mothers' everyday acts of care, advocacy, and resistance shape their children's schooling experience? Join us for an insightful webinar that centres Black mothers' leadership and work. EQUITY

Asian Heritage Month at the TDSB: May 2025

Asian Heritage Month has been proudly recognized at the Toronto District School Board during the month of May since 2007. This heritage is also celebrated by the Province of Ontario with the royal ascent of the [Asian Heritage Act \(2005\)](#) and across Canada since May 2002 when the federal Senate adopted a motion to officially designate May as Asian Heritage Month.

This year's theme, **Asian Canadians Up and Rising**, celebrates the strength, resilience, and achievements of Asian Canadian communities. It recognizes individuals and groups who have contributed to shaping Canada's past and present, while also highlighting emerging voices and future leaders

The TDSB is the largest and one of the most diverse school boards in Canada. Nearly one-quarter of our students were born outside of Canada and collectively we speak more than 120 languages. According to the 2023 Student Census, 46% of TDSB students self-identified as Asian.

Students, staff, and community members are invited to the Asian Heritage Month Virtual Launch Celebration on Thursday, May 8, 2025 from 1:00 –

2:00 pm. ! This event will feature speakers, student performances, and further learning about this vibrant heritage: [Click here to access the live stream!](#)

Jewish Heritage Month - May 2025

In 2021, the Province of Ontario passed the [Jewish Heritage Month Act 2](#), recognizing the important contributions that Jewish Canadians have made to Ontario's social, economic, political, and cultural fabric.

The [TDSB's Jewish Heritage Committee](#) is pleased to present two educational programs for May 2025 that have been vetted and approved by TDSB staff.

Being Jewish in Ontario - a brand-new collection of 10-minute short films and lessons that explore what it means to be Jewish today through the voices of youth and their family members. Please visit the [Being Jewish in Ontario](#) website to access the film and learning resources.

The Children's Republic

This play is written by Canadian playwright Hannah Moscovitch and produced by the Harold Green Theatre Company and Koffler Arts.
