

Vanier Community Newsletter – Week 14 (December 6, 2024)

Dear Vanier Family,

We hope you've enjoyed the first full week of December. Can you believe there are only two more weeks before we head off for the Winter Break? As usual, Vanier was buzzing with activities this past week. On Tuesday during the day, we were host to a basketball tournament, which brought students for schools across the TDSB in our building. On Tuesday Night, we held our final parent council meeting for the calendar year. Thanks for all the parents who attended and participated so actively. We welcome your feedback parents and look forward to seeing at our next one, in March 2025.

As part of supporting students' mental health and wellness, our WAVE club along with their staff advisor, Ms. Burgess, hosted **Cookies and Chat** during each lunch period. Students participated in numerous stress-reducing activities, such as art work and cookie decoration.

Starting on Wednesday of this week, Vanier became home for the the Indigenous floor map (it will be with us until december 12th). This map shows the locations of Indigenous communities, residential schools, reserves and more. On this map, Canada is divided up into Indigenous language groups rather than political and geographical borders. Our students got to deepen their understanding of the past, present future of Indigenous Peoples in Canada (see map on next page)

We wrapped up our week on Friday, **December 6th** by marking the *National Day of Remembrance and Action on Violence Against Women* in honour of the 14 young women murdered at Polytechnique Montreal on Dec. 6, 1989. Special thanks to members of our Student Activity Council (SAC) who prepared school announcements and white ribbons and to all the young men of Vanier who wrote and posted their pledges to end violence against women.

The month of December is a joyous time for many as we celebrate holidays such as Christmas, Hanukkah, and Kwanza. It also can be a lonely and sad time for many in our community. And so, Vanier will once again hold its annual Holiday Drive from December 9-16. We encourage you to bring in new or gently used children's toys, hygiene products, and non-perishable food items. These will be donated to Firefighters Drive Toronto.

This past Tuesday was dubbed "Giving Tuesday," a time when people are encouraged to donate to various charities and organizations. If you or your employer could support the team, that would be greatly appreciated. Please use the link below to donate. You will receive a tax receipt as soon as you submit your donation. Thank you!

Updates from our Guidance Office

SPECIALIZED OYAP OPEN HOUSE @ Central Technical School, Room 208 **On Thursday, December 12 from 6:00 pm - 8:00 pm**

The [Specialized OYAP at Central Technical School](#) provides students with the opportunity to develop deep career-related skills.

The one-year program combines multiple technological education credits in a specific trade with a cooperative education experience. Students learn from OCT teachers who are also journeypersons who hold a Certificate of Qualification in their trade. Students have the opportunity to become registered apprentices and work toward becoming certified journeypersons in a skilled trade while completing their secondary school diplomas.

Students participating in these special Programs have an edge when applying to university, college, apprenticeship, or work placements. Traditionally 86% of the students enrolled in the Specialized OYAP have been signed as apprentices in their desired trade. Upon completion of the program, students are eligible to write for Level 1 exemption. For more information see website below:

College application Workshop. On Wednesday, December 11th, during periods 1 and 2, Guidance will host college application workshops for college-bound students in room 202. The deadline to submit college applications for equal consideration is **Saturday, February 1st, 2025**. For more information visit <https://www.ontariocolleges.ca/en>

OUAC Applications. This a reminder that the OUAC application deadline for university-bound students is **Wednesday, January 15th, 2025**. We suggest students aim to have their OUAC applications done and submitted on or before the holiday break. The OUAC site sees peak volumes of traffic over the Christmas holidays. This is when OUAC support staff are working reduced hours. Support may be limited. Be sure to plan your post-secondary application timelines accordingly! For more information visit <https://www.ouac.on.ca/>

MyBlueprint. All students who are new to Vanier are required to activate their myBlueprint accounts. myBlueprint is an online application tool that all TDSB students use to complete their course selections for next year. Course selection for September 2025 will begin in February 2025. The activation process is very quick and easy. New myBlueprint accounts should be activated no later than Monday, December 16th, 2024. For instructions on how to activate a new myBlueprint account, [click here](#).

Google Classrooms. All students should be connected to the Guidance Google Classrooms. This is how we communicate important information with students. Please ensure your child is connected with Guidance! Use the following codes to join: **Vanier Guidance - i5wekc6**

Drop-in Sessions for Parents/Guardians/Caregivers

Special Education and Inclusion is pleased to once again offer a series of drop-in sessions designed for parents/guardians/caregivers on navigating special education resources and supports within the Toronto District School Board (TDSB). These informal gatherings provide a welcoming space for parents to learn about available services, ask questions, and connect with other families. Facilitators will guide discussions on topics such as supporting student transitions and exploring occupational therapy/physiotherapy strategies to use at home with students. All drop-in sessions for the 2024-2025 school year can be found [here](#).

General Information & News

- Student Clubs and Activities:** There are numerous clubs for your child to participate in at Vanier. For a list of these clubs and other activities being hosted by our Student Council, please visit their website, <https://sites.google.com/tdsb.on.ca/qvsssac/home>
- Reporting an Absence:** TDSB is offering a more efficient way for parents and caregivers to report all student absences, late arrivals, or future absences by using the [School Messenger](#) app. You can also report by calling the school messenger portal at **1-833-250- 2290**. All attendance being reported before 9:00 a.m. must be done using School Messenger. You no longer need to call the school directly.
- TDSB Connects App for Students.** The TDSB Connects app is available to all students through the [Google Play Store](#) and the [Apple App Store](#). The app contains school announcements and integrates with the school Google calendar and is an excellent way to make information available to students. Both these tools also link into the school's Brightspace Homepage. If possible, students are highly encouraged to download the APP on their devices.
- TDSB Disconnecting from work Policy.** Please be aware that, as outlined in this policy, TDSB staff will not be available to make or respond to any work-related communications (emails, telephone, texts, etc.) between 7 p.m. and 7 a.m. Monday to Thursday; after 6 p.m. on Friday; Saturday; Sunday; and on statutory holidays.
- Start of Year Forms**
The technology used for the Start of the Year forms is changing. The PowerSchool Enrollment Module will be used by families to complete these forms online. Parents/Guardians should have received an email on August 30, 2024, with instructions on how to register for this module. Please click [here](#) to get instructions on how to complete these on-line forms.
- Student Login and Password**
Returning students - Please note that student accounts remained active over the summer and their passwords did not expire. As a result, student account passwords will not be centrally reset for school opening.

Students in Grades 5-12 can reset their own passwords directly on the login page of many online tools, including Brightspace and Zoom. Once registered, students will be able to use security questions, email, phone, text message or an “authenticator” smartphone app, to validate their password reset requests. For additional information, please view this [infographic](#) or [demo video](#).

New students - Students new to TDSB will have their password set to the Shared Secret Password. This is a combination of the last 4 digits of the student number, followed by 2 digits for your day of birth, and 2 digits for your month of birth, followed by “@Tdsb” (case sensitive and 13 characters in total).

Extended Absence....**NEW!!!**

TDSB schools will be heading into the Winter break in another two weeks. We will return from the Winter break on January 6th and will transition into a very crucial part of the semester – our evaluation season – where students will be engaging in summative tasks (culminating projects and exams). I want to take this opportunity to remind students that daily attendance is crucial to their success. Extended absences may jeopardize a student’s credit-earning opportunities. As such, students should avoid taking vacations during school time, especially during the summative evaluation season in January. If students will be away from school for more than 5 days, parents and students must complete our extended absence form, which can be accessed [here](#).

Semester 2 e-Learning Course Registration

Semester 2 e-Learning Day School course offerings were added to the [e-Learning Day School website](#) on October 16, 2024. Students and families are encouraged to review these offerings before registration opens to students on November 12, 2024 at 10 a.m. through the [e-REG system](#).

Peer Tutoring. *If you are a **grade 9 - 11 student** who **wants help with your Math, Science, or English** coursework, you may request 1:1 or small group [peer tutoring](#).*

Information on how to request a tutor is posted throughout the school, as well as on the SAC website and Instagram accounts. You may also access the poster by clicking [here](#).

Student Handbook. Students are asked to take time to review the Georges Vanier [Student Handbook](#) as soon as possible so they become aware our school’s policies and procedures.

Pay particular attention to the [GVSS Assessment & Evaluation Policy 2023](#) and our [Academic Eligibility Policy For Extracurricular Activities](#)

After School Numeracy and Literacy Program. Starting next week, students can receive extra help/support with their math and literacy from some of our teachers. This is not a casual drop-in session; students will be expected to sign up and attend these sessions over the course of the semester. Name of the teacher, days/times and location for these supports are shown below:

Literacy Support	Ms. Gerstnerova	Mon & Wed 3:30 – 4:30 pm	Room 211

Chinese Heritage Month at the TDSB: Chinese Poster Challenge

The TDSB proudly recognizes Chinese Heritage Month in February each year. During this month, several learning resources and educational opportunities will be provided to our students and staff to further enhance their knowledge of Chinese heritage.

The Lunar New Year, also known as the Spring Festival, is one of the most significant holidays of the Chinese heritage. The date is determined by the traditional lunisolar Chinese calendar and the celebration lasts 16 days. This year, the first day begins on Wednesday, January 29, 2025. Currently we are inviting all students from Kindergarten to grade 12 to participate in a Poster Challenge to celebrate the Lunar New Year.

This year we celebrate the Year of the Snake: ***Tenacious and Transformative.*** We hope to encourage our students, staff and the TDSB community to make impactful changes amidst challenges.

Please see the [attached](#) for full details of the Poster Challenge.

Deadline: Friday, January 10, 2025, by 11:59 pm.
