October 4, 2018

Dear Givins/Shaw Community:

On Friday, October 12, Givins/Shaw students will have the opportunity to show their Bulldog spirit by participating in the Terry Fox Run and raising money for cancer research.

From 1:00 – 2:00 in the afternoon our Grade 1, 2, and 3 students will be running and walking on our school's field while our Grade 4, 5, and 6 students will be at Trinity Bellwoods Park.

Our Kindergarten students will also be participating on that day at a time, and in a manner, that best meets their class' schedule.

In the case of forecasted inclement weather, we will hold the event the previous day, October 11, at the same time.

We are asking the Givins/Shaw community to please go to our school's website, www.givinsshaw.com, for all the information. The donation is to be given to the home room teacher who will collect the money and then deliver it to the office. We will inform the community of the total amount raised once we have it tabulated.

If you are interested in assisting us on the day we ask that you please contact Mr. Trevor Lightbody or Mr. Adam Smith.

Thank you and we look forward to a great day on October 12.

THE TERRY FOX FOUNDATION

HOW CAN SOMEONE DONATE TO ME?

- 1 By cheque or cash
- 2 Directly to my school at terryfox.org
- 3 Directly to me on my online fundraising page (see below)

HOW DO I COLLECT PLEDGES?

ON PAPER

Use your pledge sheet to ask relatives and family friends in person for cash or cheque donations. Fill in all their info on the other side of this sheet, and hand it in to your school with the donations.

ONLINE

Go to terryfox.org to set up your private student fundraising page. You can upload pics of yourself and a message to ask for donations. Once you're signed up, you'll get a link to share with family and friends, or through your parent's/guardian's email, or by social media.

COMBO: ONLINE +PAPER

Using both methods is a great way to reach more people. When Terry ran, he didn't have the Internet to help him. He had his voice and a telephone. To honor Terry, let's pull out all the stops and do our very best too.

"I got so many donations when I sent my link out to all my relatives in England, after I created my fundraising page at terryfox.org. Then my mum and dad shared my pledge sheet with their office friends. It was so easy for me to reach my goal and now I have a page on the website that I can sign into every year." Khylla WM., Wm. Berczy PS

Are there any tips online to help me fundraise?

Go to terryfox.org under the School Run page to find some fundraising tips to help you meet your fundraising goal.

MEET LAUREN

Canada's next dance superstar, Cancer Survivor

I don't remember a lot about my cancer treatments or being in the hospital, but my Mom does. She tells me that I was only 6 months old when she and my Dad were told I had cancer. They wanted to run from the hospital because they were so scared but the doctors and nurses soon became like their family. I had cancer in my eyes that went away after the doctors gave me chemotherapy.

When I was almost 3 the doctor suggested removing one of my eyes but lucky for me, my Mom and Dad wouldn't let them. We kept going back to the hospital for treatments and they worked! When I was 5 and a half the doctor finally told us that I had no more cancer!

Today I have to be careful in the sun, but nothing slows me down. I like dancing and singing. I do dance classes for Ballet, Acro, Jazz and Modern but Acro dance is my favourite. I'm in French Immersion at school where we do the Terry Fox Run. We also do the Terry Fox Run every year at Wasaga Beach with my Grandma and the rest of our family. It's so much fun!

I admire Terry Fox because he was very courageous running around Canada so he could donate money for cancer research. Cancer can bring you down but to anybody fighting it I say be brave like Terry - and me too.

Thank you!

You Make This Possible

When you and your sponsors give to The Terry Fox Foundation the ripple effect of that contribution can be felt through more than 75 different cancer research projects spanning a variety of different sites.

Terry wanted money raised in his name to fund the best and brightest researchers and scientists in Canada.

Here are only a few of the many different types of cancer research that are made possible thanks to your generosity.

Lung cancer

Breast cancer

Ovarian cancer

Colorectal cancer

Pediatric cancer

Prostate cancer

Brain cancer

Blood cancers
