Dec. 23 Last day of school for 2016	E-mail jennifer.arp@tdsb.on.ca
Dec. 26-Jan. 6 – Winter Break	
FROM THE OFFICE	

As we enter the third month of this school year, we are very happy that Glenview continues to be full of positive energy. When you read this edition of Parentview, you will see the many student entries from the sport teams and clubs that they have been involved in since September. We would like to thank the many teachers and parents for their continuous support. Teachers are putting the final touches to the Progress Reports which will be sent home on Monday, November 14th with interviews taking place on Thursday, November 17th and Friday, November 18th. More information will be shared with our families on November 11th regarding our interview booking system which will open to our parents on Monday, November 14th at 4:00 p.m. Don't forget to turn your clocks back one hour this Sunday to gain an extra hour of sleep (our teenagers will be happy)!

Dropping Off Students in the Morning

We are very concerned with the safety of our students when they are being dropped off in the driveway in front of the main entrance of the school. The mornings are dark and with the high number of students on foot this is creating a very hazardous situation. Cars are constantly backing up in order to reconnect with Rosewell Avenue from a driveway consisting of only one exit. We have been placing pylons at the entrance to help alleviate these concerns. Please help ensure our

students' safety by cooperating and not dropping off students before school from the driveway, but instead please use the east side of Rosewell Avenue.

Visits to our Grade 6 Feeder Schools

We have almost completed our Grade 6 visits to our feeder schools as part of our transition plan. This allows us to share information about Glenview so the students have a clear picture on what they will experience during their Grade 7 and 8 years.

Raffle winners

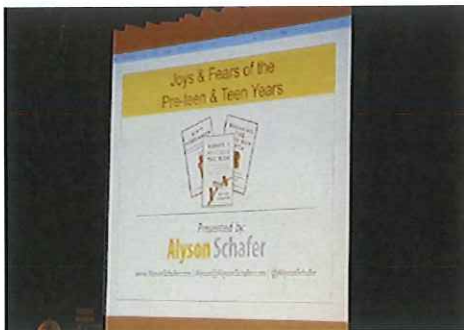

For our 50th Anniversary Celebration on Saturday, October 1st, we raffled off two international flights to London or Paris which was donated by Explorica. In addition, we also raffled off a \$200 gift certificate for School Specialty who supplies our agendas. We are happy to announce the winners! Congratulations to Anna Woo who won the international flight tickets and to Kirby Dickson who won the \$200 gift certificate!

TSO Field Trip

On Thursday, October 20th, the entire school loaded onto 17 buses to attend a performance at Roy Thompson Hall by the Toronto Symphony Orchestra. The performances were very well received by both students and staff. We look forward to organizing more school-wide initiatives and field trips for our students to enjoy.

Alyson Schafer Parent Presentation

On Thursday, October 27th, Alyson Schafer presented to parents from Glenview as well as our feeder schools on The Joys and Fears of the Pre-teen & Teen Years. She provided the parents with some strategies on how to keep the lines of communication open between parent and child as we give them a voice in the daily decisions that occur on a regular basis. From research, we have learned that during these years there is another growth spurt in brain development which helps explain some of the behaviours we see amongst our teens such as the need for more sleep! Talking through situations that cause anxiety and providing tangible strategies such as breathing when faced with these challenges are key components of helping our teens use effective coping mechanisms.

Halloween Activities

On Monday, October 31st in the afternoon, our students participated in self-selected Halloween activities which were supervised by staff. We were excited to see the number of costumes worn by both students and staff. Students participated in one of the following activities: a dance in the gym, movie, quiet time in the Library, the pool and games. This year we also had a "Catchup" room for

students needing to complete overdue assignments. Can you guess the costume theme for the staff of Glenview?

Superintendent visit

On Tuesday, November 1st, we had our second visit by our school superintendent, Vicky Branco. We are continuing our dialogue around our school improvement plan focusing on Student Achievement, Equity and Well-Being. At our next School Council meeting we will be sharing a video by our director, Doctor John Malloy on the TDSB's Vision of Learning. Our monthly visits by Ms. Branco, open up great dialogue in addition to visiting our classrooms to celebrate our successes in posting learning goals, anchor charts, success criteria and student work and looking at ways we can continue to improve our instructional programs.

Grade 8 End of the Year Trips and School Council

We are finalizing the details of our Grade 8 year-end trips from June 12-16, 2017 (except for New Brunswick which will be from June 11-16, 2017). Students will have the opportunity to travel with teachers and classmates to the following destinations: Quebec City, Montreal and St. Andrew's by the Sea in New Brunswick. **Please join us on Tuesday, November 15th at 6:30 p.m. to learn more about these options.** Following this information session, we will begin our November Parent Council meeting.

Immunization – November 23rd and 24th

The Toronto Public Health department will be here on Wednesday, November 23rd for our Grade 7 students and Thursday, November 24th for our Grade 8 students to provide the appropriate immunization. The following inoculations will be provided to the students when parental consent was given:

Grade 7 students (boys and girls)

Meningococcal-ACYW – 1 dose

Human Papillomavirus (HPV) – 2 doses, 6 months apart

Hepatitis B – 2 doses, 6 months apart

Grade 8 students (girls only)

Human Papillomavirus (HPV) – 2 doses, 6 months apart

Lawrence Park Collegiate Visit

On Thursday, December 1st, the Grade 8 students who are in-district for Lawrence Park Collegiate will visit during the afternoon. They will be provided with pertinent information as well as the opportunity to tour the school. Any student not in-district, will remain at Glenview to work with other teachers.

Holiday Gift Baskets - Sharing with Families

For many years now during the holiday season, Glenview adopts several "Holiday Families". Again this year we are working with our school Social Worker, Joanne Kenny to support families in our community who are struggling. In doing so, each registration class will be working with a family to provide them with essentials and gifts to make the holiday celebration special.

Each adopted family will be providing us with a profile that comes with first names, ages, genders, clothing and shoe sizes of each family member along with a "Wish List" of items the family hopes to receive. Students will use the Holiday Wish List in their class to select an item for purchase. It is by no means mandatory; it is a guideline. One of the most important donations that can be given is grocery gift cards as these are considered our top priority for each family.

More information will be provided to our students at the end of November, however, we wanted to share this with you now so you are aware that this is up and coming. All donations must come in to the school no later than **Friday, December 16th**.

Our school participation in this initiative has been overwhelming in the past. Your support will make a positive impact in the lives of vulnerable families.

Professional Learning Communities (PLC)

This past week our Math and History/Geography teachers worked together in a professional learning community (PLC) to focus on specific areas. Our math teachers engaged in discussion around assessment and evaluation and how to incorporate the achievement chart (Knowledge, Thinking, Communication and Application) when assessing and evaluating student work. This type of assessment allows our students to better understand what types of questions they are answering and the areas they need to focus on for improvement. Our History/Geography PLC continued their discussion on inquiry-based learning from last year. They discussed the benefits of allowing students to develop questions around topics of interest once they are provided with some background knowledge from specific curriculum expectations. We were very fortunate to have our Learning Coach, Fayza Prebtani join us for this discussion. On October 13th, our English teachers met for their PLC on incorporating the Turning Points essay contest into their classes. All students will write an essay on a significant event that has impacted their lives. Teachers will guide their learning as they model the writing process. More information can be found at:

<http://www.thelearningpartnership.ca/what-we-do/student-programs/turning-points>

PLCs are a very important tool that we will continue to use throughout the year so we can engage in focused conversations regarding our school improvement plan as well as supporting our teachers in their own professional development.

Holiday Concert

The students involved in our music program are busy getting ready for our Winter Concert. Please mark Tuesday, December 20th on your calendar at 6:30 p.m. for our Winter Concert at Lawrence Park Collegiate.

OCTOBER – STUDENT RECOGNITION AWARD WINNERS - RESPONSIBILITY

We would like to congratulate the following recipients for demonstrating exemplary respect in their classes: Charlie B., Jack V., Ethan F., Eden D., Mia W. Bronwen P., Karenn M., Alexander W.,

Spencer B., Cynthia L., Alara C., Eisi A., Sydney K., Olivia C., David B., Lauren A., Lukas F., Lucy C., Ruven R., Yutaka N., Chen A., Samantha H., Dean B., Halle Z., Kaura S., Sara M., Abby S., Tea L., Ysabel F., Emily G., Maria Y., Michelle C., Jimmicia M., Maya M., Stephanie N. and Kate P.R.

FOREST VALLEY

Last month, FE8A and FE7A took a field trip to the Forest Valley Nature Reserve. The focus was creating art using only natural resources that portrayed movement or balance within the piece. In the morning we had a small presentation explaining the elements of this newly introduced way of visual arts as well as putting a name to the inspiration for this project, Andy Goldsworthy.

Continuing on into the day our classes divided up into groups and began planning together. Later on we brought our ideas to life and created pieces of artwork, which we presented to each other pointing out the elements we used as well as the materials. Overall the experience truly changed our perspective on nature and its importance in the artistic society.

PROLOGUE - MIKE FORD PRESENTATION

On Wednesday, October 19, Mike Ford came into Glenview to sing to the Grade 7's about Canada's history. We listened to his songs, in English and in French, and they taught us a lot about our country's history and his career. Even though it was educational, we thought his enthusiasm made it fun and interesting. Also, since the information was told to us in a song, we are more likely to remember it in further experiences. In addition to all of this, we thought it was very engaging because he drew in all of our attention by having us interact with his songs. Something else that captivated us was how Mike used different parts of his body to create music. In conclusion, Mike Ford's presentation was a fun experience that taught us a lot about Canada and we would want him to come back again.

By: Eisela A, Jared D., and Amanda D.

FROM THE PREFECT DESK

Glenview parents,

Our names are Tea and Tiana and we are your communication prefects for this year. For this edition of Parentview, we will be writing information to share with you. First off, we would like to say that these past few months have been very busy for our school. September started off very exciting for both grades to meet and see all the teachers and get to see all our friends again. These are some events that have happened over the past two months.

If you are not familiar, our school holds an assembly at the end of every month rewarding a student in each class who have shown they have succeeded the teacher's expectations. The month of September, the character trait was Respect and for October it was personal responsibility. In October, FI8A and FI8B participated in the assembly performing skits and a dance to help the students understand what true responsibility is. This upcoming month of November, the character trait is empathy and hopefully all the students will be working hard to achieve this award.

Every year, 16 of Glenview's grade 8 students get elected as prefects. There are nine positions available, six for the board and three for the executive committee. All students and staff were able to vote for one person in each category for the board: sports, arts, mentors, communication, environmental and social events/ activities. Once these positions were elected, the board gathered together and decided on our four students of the executive committee for this year. The lucky

students who have been chosen this year are Tessa B. and Cameron G. as our social events/activities, Dakari J. and Ben S. as our sports prefects, Sam R. and Ryan K. as environmental prefects, our mentors prefects are Sammi H. and Mia M., Julianna H. and Sydney T. are our arts prefects and finally Tea L. and Tiana L. as communication prefects. This group of students decided on Dean B. and Kate G. as our social justice prefects, Kate F. as our Deputy prefect and Sammy C. as our head prefect.

The entire school went to TSO and had a blast, especially the music teachers! After we arrived back at school, we had some pizza, juice and chips for lunch. We think that there should be more of these school trips!

Lastly, as everybody knows, Halloween has just passed. This is one of Glenview's favourite holidays. Every year on Halloween, Glenview holds a school dance in the gym. Music was played by a DJ, juice was sold and everybody dressed up in creative costumes! There was also a game room, a movie room and the pool and library were open.

By: Tea L. & Tiana L.

GREEN GRYPHONS – PLANTING MILKWEED AND WILDFLOWERS

On Wednesday, October 26, 2016 the Green Gryphons Environmental Club planted milkweed and wildflowers around the school. We walked across the school yard and scattered seeds in places that weren't overgrown and would be suitable for butterflies and bees. Additionally, we made sure that the seeds were placed in areas where the plants will not get trampled or mowed down. Having these flowers will help monarch butterflies and honey bees. It's crucial to help because the monarch population has been declining for the last 10 years and monarch caterpillars can eat nothing but milkweed. In addition to that, we need wildflowers to feed bees because they help pollinate crops which make up one third of the food we eat. Knowing these facts encouraged us to do our part, and we hope that you will also think about adding these types of plants to your yards and gardens.

By: Green Gryphons (Tessy V., Amanda D. and Eisela A.)

EXTRA CURRICULAR SPORTS

CROSS COUNTRY

Congratulations to all the cross-country runners for all their hard work and dedication! It was great season with lots of successes. We started practicing in mid-September to get ready for our first meet at Earl Bales Park, and long and behold the practices paid off! It was a wet and rainy day, but we still had over 20 qualifiers. The conference finals were again at Earl Bales, and the conditions weren't any better. Despite the weather, the Glenview athletes managed to prevail again, with over 10 individual qualifiers, and one conference banner from the grade seven boys. The city finals race was held at Centennial Park, and the conditions were looking hopeful for our runners. The Glenview athletes managed to power through the plunging temperature and stinging rain. There was much success throughout the team, and our runners placed very low results. A special shout out to the grade seven boys who managed to place fourth as a team throughout the whole city of Toronto. A special thank you to Mme. Bedard, Ms.T, and all the parents who volunteered to drive and support our athletes. Good luck to the cross country team next year and we are looking forward to many more great successes.

By: Adam.B, Kayvan.M

BOYS FOOTBALL

Glenview's Boys Football Team began with 90 boys trying out for the team over a two week period and ultimately 14 were chosen. We were ready to begin the journey to the city championships. On Tuesday and Thursday mornings we had our practices where we put in that #dailygrind. With our morning training sessions they definitely paid off with a victorious 4 game win at our first tournament. Next up were the conference finals. Going into that game we had the momentum of the last tournament and were planning on the win and we won with ease at a score of 28-7. Next up were the city semi-finals and finals at Esther Shiner Stadium on Tuesday, November 1st. At the city semifinals, we played Deer Park in a tough game. With the score being 21-18 for Glenview, we were in a bad position with the ball on our own 20 yard line. It was 3rd and 15 and Tucker R. gave Justin S. a gorgeous toss through the middle to enlarge the gap between the 2 teams. With 6 plays left we were confident we had the win but the icing on the cake was the interception by Daniel T. that led to the two touchdown lead. City finals were next and we were in a nail biting game vs John G. Althouse where they had the ball on the 5th yard line with 3 plays left. The score was 21-17 and we managed to stop them the first 2 times but then on the third down the rusher made an amazing play but the ref called a penalty so they had to redo the down. In the end Glenview persevered to secure the win. Go Gryphons! What a great season! Thanks to our wonderful coaches Mme Oreiro and Mr. Yardley.

By Tucker R. & Daniel T.

BOYS SOFTBALL

This year, the Glenview Boys' Softball Team had a fantastic year! The grade 7-8 boys worked hard every Wednesday and Friday morning, training for the upcoming conference championship. When the big day arrived the team was outstanding, winning 4 straight games. When the conference finals arrived, the team found out that they were playing Winfield, the school that had beaten us last year. After an exciting game, Glenview came out on top, winning the conference championship! The boys scored nearly 100 runs in just 5 games, thanks to the team's superb fielding and hitting! The team, super proud of their performance, were now determined to win the city championship. They continued to work hard every Wednesday and Friday morning. The coaches knew that we were very good, but there was an upcoming challenge awaiting us at the city finals. When we arrived at the field, we realized they were playing Glen Ames, the two time former city championship winners, looking to defend their title. Even though Glenview thought they had it with a 9-3 lead, Glen Ames made a nice comeback and won 11-9. On behalf of the team, we would like to thank our coaches Ms. Walker, Ms. Hann and Alexander (Ms. Walker's son) for putting in so much time and effort into making this great team happen. Good job Glenview! We'll get 'em next time!

By: Charlie D. and Justin S.

GIRLS SOFTBALL

This year, the girls slow-pitch season was amazing! Everyone who made the team was very talented and fun. We had many practices to get ready for our tournament on October 13th at R.J. Lang. The teams we were playing against were Bessborough, St. Andrews, JB Tyrell, and Windfields. We gave it our all for each and every game. Our first game against Bessborough was very exciting and tough but in the end we only lost by 2 runs. We played really well against JB Tyrell. At the beginning we were ahead by 2 runs but then they got lucky in the final inning. Sadly we had lost another game. Next, we played St Andrews. Our fielding wasn't that great at the start

but we hit really well pulling us ahead of them winning our first game of the day. After finishing our 3rd game we found out that the two teams moving on to the next tournament had already been determined. Even though our last game wouldn't count, we still played our best and won! We didn't make it on to the Conference Finals but there is always next year! Special thanks to the parent drivers, the coaches Mr. Bozzo and Mrs. Hann, Mrs. Conliffe, Mrs. Mackenzie and the team!
By: Rachael C and Abby S

GIRLS FOOTBALL

On October 18th, 2016 at 12:00 pm our first game of the season started. Before we could even get there, we had six tryouts and practices before and after school. We had to learn how to run an offence with a rookie quarterback and how to defend a successful offence. Through outbursts and leadership we finally made it to York Mills Collegiate Institute for the first game of the season. The sun was shining but winds were heavy. On our first play with the football, we found success as our quarterback threw a touchdown. We led 13-0 at halftime and won 26-0 against Bedford Park. Our second opponent posed some challenges for our offence. We scored just one touchdown as Bessborough handed us our first loss of the season. A victory against Northlea would guarantee us a spot at the conference semi-finals. We crushed Northlea 29-0, 21 of those scored with the wind in our faces. The real test would be against Windfields, the team we would have to play for a banner.

Windfields was the team we played the previous year for the red banner and a chance to go to cities. Last year we won in a type of shootout which comes after overtime. This year we were tied at the end of regulation and had to go into overtime. After a scoreless overtime we had to go into a scenario where each of the teams get to try to convert a two point conversion until one school gets the conversion and the other does not. It was a cold day and our fingers were freezing, but finally on about the sixth round we caught the ball in the end zone and won. Our match in the finals was against Bessborough again but this time we prevailed in a score of 8-7 and we won the red banner. A week later we went to city finals. There were only three teams and once we lost our first game to Deer Park our fate was undecided. If Deer Park beat North Kipling then we would have a chance at a black banner but unfortunately when the reverse happened our season was over. Although we didn't bring home a banner from cities, we're still proud to be city champions and we thank all parent drivers and coaches.

By: Kaura S.

KIDS LIT QUIZ

Hello, my name is Caleb and I'm part of a group called Kids Lit Quiz. For those of you who don't know what that is, it involves groups of students who answer questions about literature. For Kids Lit Quiz there are many different genres and subjects in the competition so it is important to read a lot of books so you can diversify your knowledge of books. Some examples of previous subjects are Friends, Myths and Legends and Aliases.

About a week ago 10 other members of Glenview's Kids Lit Quiz and I went to John Ross Robertson Public School for a Kids Lit Quiz. We split up into two teams: grade 7s and grade 8s each with 4 of us. The bottom three were runners and what they did was collect the sheets at the end of each round. Many different schools came to compete to move on to the next round and win some prizes which were Red Maple and Silver Birch nominees. The competition at JRR was an exhibition competition which meant that there were only half of the rounds there would normally be in a regular competition. In a regular competition there are 10 rounds with 10 questions and for this Quiz there were 5 rounds with 10 questions each.

We first received a booklet with different themes for different rounds. We had to pick a round we would like to double the points on. Then somebody read out the questions one at a time for each round and you would try to answer the questions with your group. After each round we would rip the page with the theme out of the booklet from that round and hand it to the runners who would hand it to the question master. All in all it was a very fun experience!

By: Caleb R. S.

NEWS AND CUES FROM THE GUIDANCE OFFICE

Grade 8 Information

This has been an exciting week for our grade 8 students. Our pathway to secondary school was officially kicked off with our parent information evening on Wednesday, November 2nd and the subsequent student information assembly on Thursday morning. We were also pleased to welcome Steve Leder from the MaCS programme at William Lyon Mackenzie and Vernon Kee who represented the SMR programme at John Polanyi on Thursday, for the students. There are a wide variety of options for our graduating students as they transition to secondary. As I mentioned in the presentations, sometimes all of these choices can be both intimidating and overwhelming. The vast majority of our students in fact do go to their local schools, while some students have special interests and focus and opt for specialized programmes. It is essential to have a plan when applying to specialty schools so that when acceptances come in, decisions are easier to manoeuvre.

Please be sure to check out all of the open houses and other relevant information at:

www.tdsb.on.ca/goingtohighschool

Next week, and the week after, your grade 8 child will be bringing home CHOICES FOR 9, a TDSB publication. I am seeing all of our graduates in IT to introduce the pamphlet and to further their work on myBlueprint. I have included the schedule here so that you can ensure your child is present at school.

Date	Period	Classes
Tuesday, Nov. 8 (Day 4)	1	FE8A
	5	8C
Wednesday, Nov. 9 (Day 5)	2	FE8C
	3b	FI8A
	4	8A
Thursday, Nov. 10 (Day 6)	1	FE8B
	2	FI8B
	4	FI8D
Tuesday, Nov. 15 (Day 9)	3b	8E
	4	FI8E
Wednesday, Nov. 16 (Day 10)	4	FI8C
	5	8D
Thursday, Nov. 17 (Day 1)	3b	8B

Food Bins

We were so pleased to receive a written thank you as well as a phone call of thanks from North York Harvest Food Bank. Our food drive "harvested" over 600 pounds of food; food that goes directly to members of our own community. Our annual food drive is yet another way we demonstrate our commitment of responsibility for each other to our young ones. Thank you to all of the families and staff who contributed.

Upcoming

- ✓ We are already planning our next reach out project at Glenview, our annual Gift Baskets initiative. More about that to come!
- ✓ Bullying Awareness Week takes place during the week of November 21st, and the Prefects are hard at work in preparation for a school wide week of activities to highlight this ongoing issue.
- ✓ Remembrance Day plans are underway for our touching and educational assembly.

Prefect News Update

Our board of new Prefects were able to nominate the following students for positions on the executive. Congratulations to this outstanding (!!) group of 16.

Head Prefect: Sammy C

Deputy Prefect: Kate F

Social Justice Prefects: Dean B and Kate G

Further to this, kudos to our former Head Prefect Josh C. who was interviewed on CBC radio about the effects of the American election news on young people, and to Megan L. who is now serving on the executive of the Supercouncil which is an organization representing all of the student councils in the TDSB!

Cues

As I am certain you are all aware, the time is changing one hour back this weekend. Here is a terrific link to some information on sleep needs for us all, particularly focussed on our children.

<http://www.aboutkidshealth.ca/En/HealthAZ/HealthandWellness/Sleep/Pages/sleep-benefits-recommendations.aspx>

Forest Hill

Students who are seriously interested in attending Forest Hill Collegiate for grade 9 are invited to an open house as per the flyer attached to Parentview. Written permission (also attached) must be submitted to Ms. Racko by Monday, November 21. No verbal permission will be accepted, and the deadline must be adhered to, as requested by FH.

Parents are invited to an evening for them on December 6th beginning at 6:45 PM and running until 9 PM. The evening will be comprised of:

- *A slide show of the students and events over the last year that ran at Forest Hill
- *A presentation by Forest Hill's Principal, Ms. Aitchison
- *A PowerPoint presentation
- *A Question and Answer Session
- *An Opportunity to take a tour of the building

By: M. Racko, Guidance

QSP FUNDRAISER

GLENVIEW FUNDRAISER was a SUCCESS!

Thank you for your support! We are waiting for final numbers from QSP but we raised about \$5800 for Glenview!

Congratulations to our top sellers: 1st Jared D, Tie for 2nd Natasha L & Emily W, Tie for 3rd Carling H & Erin P, 4th James A, 5th Gabrielle P, 6th Aya B, 7th Rachael C, 3 way tie for 8th Fiona B, Christine H, & Ava P, 9th Alicia A, 4 way tie for 10th Craig C, Maya D, Zoe D, & Elenee H

We also had a participation draw. All students that sold 1 item had their name in a draw. **Participation Winners were:** Isabel A, Ellie C, Elizabeth D, Jared D, Parker F, Kate G, Lauren G, Sylvana K, Ben L, Samuel P, Spencer S, Owen S, Ava S. Thanks for the prize donations from Mastermind on Yonge, Starbucks and Tim Horton's on Avenue.

The campaign for prizes is completed, but you can still order magazines all year, with profits going to Glenview - WWW.QSP.CA

LAWRENCE PARK MUSIC PROGRAM

In an effort to showcase Lawrence Park Collegiate's music program to future band, string and vocal students, we are opening our doors between November 14th & November 18th for Fanfare Week. We hope you'll join us for this week, and come to observe our music ensembles in rehearsal. To register for one or more of the dates and to see the full details please follow the link: <http://tinyurl.com/lpcifanfareweek>.

We hope to see you there!

November, 2016

Dear Parent(s)/Guardian(s),

As part of the Transitions Program for Grade 8's moving on to Grade 9, Forest Hill Collegiate Institute has invited interested students to visit the school Tuesday December 6, 2016 from 12:45 p.m. to 3:10 p.m. A number of our students have expressed an interest in this program.

Students **seriously** considering Forest Hill as a secondary school will be dismissed from class at 11:15 a.m. to either go home for lunch or to eat in the cafeteria and will then travel on their own to the school. At the conclusion of the program, students will be dismissed to go home on their own.

All students must meet with a Glenview staff member at 12:30 at Forest Hill Collegiate in the foyer for an attendance check before proceeding on to the tour.

If you would like your son/daughter to attend the above program, please sign the permission form below and return it to the Guidance Office by noon on Monday November 21, 2016.

If you have any questions regarding these arrangements, please call me at the school (393-9390, extension 20040). Thank you for your co-operation.

Sincerely,

Mariam Racko
Guidance Counsellor

_____ of _____ has my permission to travel to and
Student's Name (PRINT) Class

from Forest Hill Collegiate on December 6, 2016 on **his/her own** and to take part in the afternoon program.

Information Marketplace (Available all day)

Stroll through the information marketplace and collect ideas, strategies, resources, tools and gifts that will support you and your child's education journey. The marketplace will feature an array of community agencies, TDSB programs and services and vendors offering great educational ideas and giveaways throughout the day.

PIAC invites all TDSB parents/guardians to take part in our FREE conference. Please join us for an opportunity to make connections with other TDSB parents/guardians and communities while participating in informative and empowering workshops on a wide range of topics related to parenting, student learning, and school councils.

Child-minding, Interpretation and Bussing will be available through registration ONLY!
For more information contact (416) 397-3529.

October 20, 2016

Miriam Racko
Glenview Sr. PS
401 Rosewell Ave
Toronto, ON M4R 2B5

Dear Miriam,

The generous donation of **Glenview Sr. PS of 600 pounds of food helped 60 families** with meals this fall. As you read our newsletter, remember that because of you and your support, families like the Perez family will be able to look back on their first fall and the holiday with a full belly and a hopeful heart.

You have helped to ensure that no family needs to worry about where their next meal will come from. Thank you!

We couldn't do it without you!

To see how your donation has made a difference, please visit us online at northyorkharvest.com or consider joining us for a tour of our food bank or volunteering first-hand.

Let's Leave Hunger Behind.

With warmest regards,

A handwritten signature in blue ink that reads 'Leslie Venturino'.
