FROM THE OFFICE

As we enter the third month of this school year, we are happy that Glenview continues to be full of positive energy. In the last month, our teachers have been released to participate in professional dialogue around the different subject areas. Here is what our focus discussions have been related to:

- English – classes will be learning the structure of an essay as they research a specific area related to Indigenous studies. They will share their learning through a media product.
- Math – a focus on rich learning tasks, three-part math lessons and assessment, and evaluation that reflects the achievement chart
- French – looking at incorporating Indigenous art/drama into their French classes with the help of an Indigenous artist
- History/Geography - working with our learning coach to learn more about the inquiry approach to learning with a more intentional focus on Global Citizenship

Progress Reports

Teachers are putting the final touches to the Progress Reports which will be sent home on Monday, November 13th with interviews taking place on Thursday, November 16th and Friday, November 17th. More information will be shared with our families on November 10th regarding our interview booking system which will open to our parents on Monday, November 13th at 4:00 p.m.

Halloween Activities

On Tuesday, October 31st in the afternoon, our students participated in self-selected Halloween activities which were supervised by staff. We were excited to see the number of costumes worn by both staff and students. Students participated in one of the following activities: a dance in the gym, a choice of two movies, two games rooms, quiet time in the library, or free time in the pool. This year we also had a "Catch-up" room for students needing to complete overdue assignments.

OISE Students

We are very pleased to welcome three OISE students working with Mme Charlesworth, Ms. Chiu and Ms. Walker. They are with us until Friday, November 24th and will be working closely with the students to provide a variety of engaging activities as well as learning about what teaching is all about.

Remembrance Day

On Friday, November 10th, we will be having a Remembrance Day assembly at 10:30 am.

Daylight savings

Don't forget to turn your clocks back one hour this Sunday to gain an extra hour of sleep (our teenagers will be happy)!!

Grade 8 End of the Year Trips and School Council

We are finalizing the details of our Grade 8 year-end trips from June 11-15, 2018. Students will have the opportunity to travel with teachers and classmates to the following destinations: Quebec City, Montreal, St. Andrew's by the Sea in New Brunswick and Haliburton Forest. **Please join us on Tuesday, November 21st at 6:30 p.m. to learn more about these options.** Following this information session, we will begin our November Parent Council meeting.

Holiday baskets

For many years now during the holiday season, Glenview has adopted several "Holiday Families" in need of support. Again this year we are working with our school Social Worker, Joanne Kenny to support families in our community who are struggling. In doing so, each registration class will be working with a family to provide them with essentials such as groceries, toiletries, and warm clothes as well as gifts to make their holiday celebrations special.

Each adopted family will be providing us with a profile that comes with first names, ages, genders, and clothing and shoe sizes of each family member along with a "Wish List" of items the family hopes to receive. Students will use the Holiday Wish list in their class to select an item for purchase. It is by no means mandatory; it is a guideline. Some of the most important donations that can be given are grocery gift cards as these are considered our top priority for each family.

More information will be provided to our students at the end of November, however, we wanted to share this with you now so you are aware that this is up and coming. All donations must come to the school no later than **Tuesday, December 12th**.

Our school participation in this initiative has been overwhelming in the past. Your support will make a positive impact in the lives of vulnerable families.

OCTOBER – STUDENT RECOGNITION AWARD WINNERS FOR RESPONSIBILITY

We would like to congratulate the following recipients for demonstrating exemplary responsibility in their classes: Raquel M., Aysia D., Noah W., Catherine K., Sarah F., Elena V., Anna D., Ethan B., Amelia D., Mahika V., Leila L-G., Maddie H., Maya K., Jacob T., Samantha K., Hilary C-B., Indianna F., Lauren Z., Viktoriya Y., Tommie M., Paige S., David G., John W., Kayleigh H., Ava S., Jack V., Kate S., Rachel L., Selena S., Spencer B., Adam B., Sophia C., Isabelle F., Ruven R., David B.A., Sarah G.W., Lan Van L., Jasmine J., Marlowe C., Nanthana B., Julia G., Sydney L.

FROM THE PREFECT DESK

Our names are Cynthia and Erin. We are honoured to be your Communication Prefects for this year. Each month, we will write a column in [Parentview](#) to report on events in our school.

It has been a very busy two months. September was exciting for all our students as we met new Glenview staff and students and reunited with friends and staff we already knew. These are some of the things that have happened over the past two months we would like to highlight:

As you know, our school holds a character assembly at the end of each month recognizing one or two students in each class who have demonstrated the character trait of the month. In the month of September, the character trait we focused on was Respect. For October, the trait that we learned more about was Responsibility. In November, the character trait that we will be focusing on is Empathy. We are hoping that all the students are showing that they care and think about others.

Every year, sixteen of Glenview's Grade 8 students are elected as Prefects. There are a grand total of sixteen positions available; twelve for the board, and four for the executive committee. All students and staff were able to vote for two students in each category for the board: sports, arts, mentor, communication, environmental, and social events/activities. The board is going to decide, via a vote, the positions of the executive committee for this year.

The students who have been chosen this year are Kierra A. and Emma W. as our Social Events/Activities Prefects; Victoria Q. and John W. as our Sports Prefects; Yuna C. and Colin S. as our Environment Prefects; Abby L. and Myles C. as our Mentor Prefects; Brielle B. and Samantha C. as our Arts Prefects; and Cynthia L. and Erin G. as our Communication Prefects.

Congratulations to Olivia C., Noah G., Annie L., and Jake B. who make up our Executive this year. Noah, Annie and Jake are running for Head Prefect. Olivia, who is passionate about helping others in need, has chosen to take on the Social Justice position. On November 7, the Board will vote to decide the remaining three Executive Positions of Head Prefect, Deputy Prefect and Social Justice Prefect.

On November 2nd, our entire school went to the TSO. The conductor and orchestra taught us all about Stravinsky's [Firebird Suite](#) by telling us the story in words and music. We learned how just a few instruments and notes can set a scene and introduce a character. We all had a blast, especially our music teachers! After we arrived back at school, students had pizza, juice, and chips for lunch. We think that there should be more of these school trips! Thank you to Mr. Sirois, Ms. Calligan and Ms. Dinero for planning the trip.

Lastly, we just finished celebrating Halloween. This is definitely one of Glenview's favourite holidays. To celebrate, Glenview holds a dance in the school gym. Music is played by a professional DJ, juice is sold, and everybody dresses up in fun, creative costumes! In addition to the dance, for those students who prefer an alternative activity, Glenview opens up a game room, a movie room, the pool, and the library.

COMPUTING COMPETITION

During the weeks of November 6-17, Grade 8 students will participate in the Beaver Computing Challenge (BCC) prepared by the University of Waterloo's Centre for Education in Mathematics and Computing. The BCC is a problem solving contest with a focus on computational and logical thinking. The contest is designed to get students excited about coding with questions that are inspired by topics in computer science and can be solved by applying concepts from the mathematics curriculum.

SPORTS HIGHLIGHTS

Cross Country

Glenview's Cross Country runners were busy in October competing in meets and running practices. We had a lot of kids participating this year, many of whom moved forward to the Conference and then later the City Finals. In the Conference Finals, Glenview placed high, as the Grade 7 girls won the division while the Grade 7 boys finished 2nd in the division. The season culminated with 16 runners advancing to the City Finals. Glenview was well represented with many great individual performances from both our Grade 7 and 8 runners. The Grade 7 girls team finished 3rd in the city and the Grade 7 boys team finished second and brought back the city finalists banner. Overall, this season was a great chance for us to get out there and run, whether to compete or just for the fun of it. A special thank you to our coaches, Mme Mina, Mr. So and Mr. Chalmers, as without them cross country would not have been possible.

Boys Soccer

During the Glenview school soccer season, the boys made Conference Finalists, with a tough defeat of 3-1 against the school J.P Tyrell.

It all started at the first tournament. We played three games and won all 3! The first game Glenview played was against Winfield, the score being 2-1. The second game was against Don Mills. We beat them 7-1. The third game was against Bessborough. We beat them 6-0. Glenview then advanced to the Conference Finals.

In the Conference Semi-finals, Glenview was missing their starting goalie, but still came out with a 3-1 win. For Glenview, Matthew scored the first goal, Clixto scored the second goal, and Dominic scored the third goal. The team then advanced to the Conference Finals tournament.

In the Conference Finals against J.P Tyrell, we scored our first goal in the first half, but they came back and tied the game up to make it 1-1. We were tied 1-1 going into the second half. Glenview's performance went down in the second half, with J.P. Tyrell taking the lead with 3 minutes left by one goal. Then in the last minute of play, they scored against us to make it 3-1. This game put an end to Glenview's run, and eventually J.P Tyrell won the city championship.

Girls Soccer

The Girls soccer season this year was incredible! The girls worked so hard and came together as a team. The season was made up of 7 games and with each one of them, the team improved. We not only improved our skills but our team dynamic grew stronger.

In the regular season, we played two teams. We won easily against these teams so we moved onto the North Conference Championships. We won against St. Andrews to move onto the Conference Finals against Winfield. We won another game against the Division 2 Conference champions allowing us to move to the City Championships. We trained hard for the City Finals. The Semi-final was against Ellesmere and with effort we pulled it off. In the City Finals we played Cosburn, a competitive team with Glenview for over 10 years. The game was extremely close the entire time, as Cosburn was up 1-0 and then Glenview was up 2-1. It ended as a close 3-2 for Cosburn. This game showed incredible team work by the girls. There were amazing breakaways up front and incredible saves by the goalie, but the other team played aggressively.

Overall, the girls came 2nd in the city and that is a great outcome! Most importantly, the team had fun. By the end, the girls were great friends. Congratulations to all of the girls for an excellent season.

Boys Football

This year's football season was nothing less than stupendous. The tryouts and the season were filled with plenty of excitement and skilled players. Seventy boys tried out and the top sixteen made it! The competitiveness was very high in not only the Grade 8's but also a very strong showing from the Grade 7's too! After the tryouts the grind had just begun, the boys and our amazing coaches, Mr. Yardley and Mme Oreiro, gathered at Winfield Public School to show off our skilled team to the competition. We played against Winfield, Sir Alexander Mackenzie and Joseph Brant and won the tournament to move on to the Conference Semi- finals! On Friday October 27th our team beat Bessborough in the Semi-finals but came just short in the final game against Bedford Park. Thanks for a great season boys!

Girls Football

The girls had an amazing season this year. There were strong bonds throughout the entire team, and that's what made our season so successful. The girls made all the games and practice an exciting and fun experience for everyone. At Winfield we had our first tournament as a team. Our first game we played against SAM (Sir Alexander Mackenzie) it was a tough battle as our first game of the season losing 14-0. As the day went on, our second game arrived and we strategized and were prepared. We improved over the course of the game beating Avondale 16-0. The stakes were high; a loss would cost us our season. With that in mind we fought strong against Winfield winning our way into Conference Finals with a score of 14-0.

During the week we continued to practice our skills so we would be ready for the next game. The day of Conference Finals came very quickly. As we arrived at the field we warmed up and were ready to play. Our first game was against Bedford and the game didn't begin as planned with a losing streak of 8-0 by half time. We were determined not to end our season this early; we fought back in the second half with a win of 14-8. After lunch we faced SAM again and were committed to win. With an

extraordinary effort by the whole team, with an unfortunate but tight loss of 8-6 we came back to school as Conference Finalists. Although our season was short it was an astonishing season and our last season playing football for Grade eights. On behalf of Grade eights we are hoping for a win for our Glenview team next year.

TORONTO SYMPHONY ORCHESTRA

On Thursday, November 2nd, the students of Glenview headed to the Toronto Symphony Orchestra to listen to their inspiring music. The day began with the students boarding 17 school buses. The trip was about 20 minutes to get to Roy Thompson Hall. There, everybody entered the venue, and sat in their seats. Soon after, the performance began. The show was centered on the music from the ballet "The Firebird" by Igor Stravinsky. Firstly, the conductor discussed the various sections of the Firebird's theme; this was followed by an explanation of the scenes in the ballet. This included the picking of the Golden Apples, the finding of the Firebird, the princesses and the defeat of Koschei (the villain). Once this was over, the Orchestra did a final performance of the whole piece. They played elegantly and gracefully. Finally, students got a rare chance of asking the orchestra questions. Afterwards, we returned to school and our day concluded with a delicious pizza lunch and a refreshing outdoor break. Overall, the day was a wonderful experience and we enjoyed it fully.

GRADE 7 IMMUNIZATION

On Monday, November 13th and Tuesday, November 14th all Grade 7 students who returned the School Vaccination Consent form will be eligible to receive the following immunizations from Toronto Public Health:

Meningococcal-ACYW -1 dose

Human Papillomavirus (HPV) – 2 doses, 6 months apart

Hepatitis B – 2 doses, 6 months apart

Toronto Public Health will only immunize your child based on the information you provided on the School Vaccination Consent form. If you would like more information about what immunizations your child has received up until this time, please contact Toronto Public Health at 416-392-1250. The school does not keep records on individual students.

NEWS AND CUES FROM THE GUIDANCE OFFICE

Grade 8 - 9 Transition Information

This is an exciting time for our Grade 8 students as they start exploring their choices for Grade 9. Our parent information evening is taking place on November 6, 2017 @ 6:30pm and the student information assembly will be held on November 7, 2017.

Optional Attendance

There are a wide variety of options for our Grade 8 students as they transition to secondary school. Under the optional attendance policy, students have the opportunity to apply to 2 regular schools and 2 specialized programs outside their home school.

Optional attendance forms for regular schools will be available from the Guidance Office sometime in December when TDSB publishes a list of schools that are deemed “closed” or “limited”.

As per the optional attendance policy, students cannot apply to schools that are deemed “closed”. A school deemed “limited” that receives more applications than it has space will run a lottery in the first week of February, 2018 to determine admissions offers; students/parents/guardians will be informed of acceptance by February, 16, 2018.

Secondary School Information Evenings

The choices that students and families have can be overwhelming. Make sure to attend Secondary School Information Nights for all schools being considered.

Visit the following link to get a list of open house dates as well as other pertinent information for the Grade 8-9 Transition (hold Ctrl and click on link): <http://www.tdsb.on.ca/High-School>

Here are some dates of Open Houses of schools for this year:

William Lyon Mackenzie (MaCS Program):	November 2 at 7:00 p.m.

Etobicoke School of the Arts:	November 15 at 6:00 p.m. and 7:00 p.m.
Rosedale Heights School of the Arts:	November 16 at 6:15 p.m.
John Polyani CI:	November 23 at 6:30 p.m.
Lawrence Park CI:	November 30 at 6:30 p.m.
Forest Hill CI:	December 5 at 6:30 p.m.
North Toronto CI:	December 14 at 6:30 p.m.
Northern SS:	January 18 at 6:00 p.m.

Receiving Regular Guidance Updates

Please check the Guidance Tab on your child’s Google Classroom on a regular basis as well as the Guidance Tab on our school website. I will be posting high school and course selection information in these sections regularly.

Grade 8 Class Sessions

Following our Choices for 9 student assembly on November 7, I will be visiting each Grade 8 registration class in IT to go over some pertinent information that they need to be aware of as they make their decisions for next year. At this session, students will be reintroduced to myBlueprint. This education planning tool is used by all Grade 7 and 8 students in the TDSB.

I have included the schedule here so that you can ensure that your child is present at school.

Lawrence Park Collegiate Visit (November 30)

On Thursday, November 30, the Grade 8 students who are in-district for Lawrence Park Collegiate will visit the school during the afternoon. They will be provided with pertinent information about the transition as well as the opportunity to tour the school. Any student not in-district, will remain at Glenview. A permission form will not be required as this is considered a walking excursion.

Forest Hill Visit (December 5)

Students who are considering attending Forest Hill Collegiate for Grade 9 are invited to an Open House as per the flyer attached. Students who are seriously considering Forest Hill as an option must see Ms. Meghji on **Monday, November 13** to obtain a permission form. The completed permission form must be returned to her by **Friday, November 17**. Please adhere to this deadline as requested by Forest Hill. Please note, verbal permission will not be accepted.

Food Drive

Our food drive, in partnership with Sarah and Claire continues, until November 10th. North York Harvest Foodbank has given us two boxes which are filling up nicely. Please continue to send in your donations to support families in need. North York Harvest Foodbank is asking our donors to focus on beans, canned fish and canned tomatoes. We are requesting families to bring in **canned tomatoes** next week- November 6-10!

RAISING RESILIENT CHILDREN

The Allenby Parents' Association Will Be Hosting Dr. Alex Russell, Author of Drop the Worry Ball on November 22nd - Please Join Us!

Guest Speaker Dr. Alex Russell will be presenting "Raising Resilient Children" at Allenby Public School on Wednesday November 22nd.

Dr. Russell will offer a perspective that aims to help parents take a positive and emotionally rewarding role in their children's lives, while allowing them to have the opportunity to make their own decisions (and mistakes) while they are growing up. He will address the common challenges that parents face, including dealing with troublesome behaviours, supporting children at school, and controlling or monitoring children's access to computers, cell phones and other forms of digital technology.

Where: Allenby Public School Gymnasium, 391 St.Clements Avenue

When: Tuesday, Nov. 22nd, Doors open at 6:30pm & Dr. Russell will be speaking at 7pm

Cost: \$5 at the door

Glenview Senior Public School

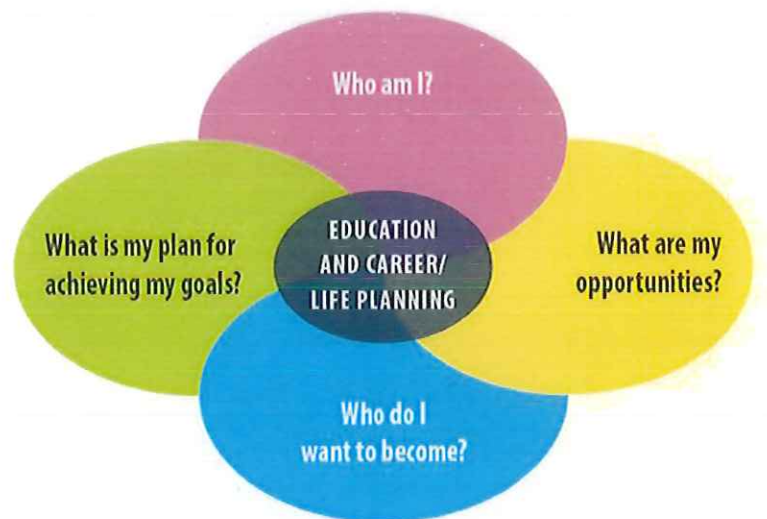

Transitioning to Grade 9 Parent Information Evening

Monday November 6, 2017

6:30 p.m. – 7:30 p.m.

Parents of Grade 8 students are invited to attend a very important presentation on the grade 8 to 9 transition process. Learn about:

- Pathways for Success
- Secondary Programs
- Specific School Information
- Course Selection Process

OPTIONAL ATTENDANCE

Information for Parents/Guardians of Grade 8 Students

- Students may apply to a maximum of two "Regular Schools and Programs" and two "Specialized Schools and Programs" under the Optional Attendance Policy. A separate Optional Attendance Form/application must be submitted for each choice.
- Students may not apply to a secondary school deemed "closed".
- It is the parent's/student's responsibility to take the completed Optional Attendance Form(s) to the appropriate secondary school(s) by: **February 2, 2018**
- A school deemed "limited" that receives more applications than it has space, will run a "lottery" in the first week of February, 2018, to determine admission offers; students/parents/guardians will be informed of acceptance no later than **February 16, 2018**.
- Once a student is offered admission under Optional Attendance, the secondary school will contact the parent/guardian and will provide a Grade 9 Course Selection Sheet for completion. Parents/guardians are requested to *decline any offers they do not intend to accept within three days*. To confirm the selected offer of admission to the school/program of choice, a completed corresponding Course Selection Sheet must be returned to the student's current elementary school before **February 23, 2018**.
- Once an offer of admission under Optional Attendance is accepted by a parent/student to a selected "regular" secondary school, any subsequent request(s) for admission to the "geographic home school" or any other school must be initiated **ONLY** through the Optional Attendance process. The confirmed selection becomes the student's official "home school". Please note: subsequent requests under Optional Attendance may not result in admission if a school's status has changed due to enrolment.
- Students will be responsible for their own transportation.
- Details regarding this policy are available at the TDSB website: Optional Attendance Policy and Procedures

Please note:

- **ALL** students are required to submit a completed Secondary School Course Selection Sheet to their *current* elementary school before **February 23, 2016**
Completed course selection sheets signed by parents and the school's Elementary Guidance Counsellor or Principal will be submitted to the receiving High School by: **March 2, 2018**
