Dear Gordon A Brown MS Families:

## **RE: FRENCH IMMERSION PATHWAY CHANGE NOTICE**

We are writing to notify you of a change in the pathway for students currently in the Grade 6 Middle French Immersion program attending Gordon A Brown MS.

Originally, the pathway that had been determined for these students was:

Presteign Heights PS (4-5) > Gordon A Brown MS (6-8) > Malvern CI (9-12)

The **following change** is being made to the pathway and will come into effect for the students **currently in Grade 6 Middle French Immersion** at Gordon A Brown MS and **all** subsequent student cohorts in Middle French Immersion.

The new pathway will be:

Presteign Heights PS (4-5) > Gordon A Brown MS (6-8) > **East York CI (9-12)**

To summarize, the Secondary School that had been planned for students in the French Immersion program was Malvern CI, but this has been changed to East York CI for students entering Grade 9 as of **September 2027**.

**Please note:** The current Grade 7-8 Middle French Immersion students will remain on the former pathway to Malvern CI for the Immersion program.
