

Supporting MATH Skills At Home

February 2nd, 2017

6 p.m. – 8 p.m.

Firgrove P.S.

** This is an interactive workshop; parents and children will be engaging in math activities.

Learning Centre 2 Parent Academy aims to improve student success by offering a variety of free workshops, training and leadership opportunities for all parents. Please come out and network with other parents, have discussions together and discover what other parents are doing in their school communities.

Dinner, child minding and TTC tickets will be provided.

Please contact OMAR OMAR, your Community Support Worker

if you have any questions @ 416-884-2953 or omar.omar@tdsb.on.ca.

If you would like to attend our ***Supporting Math at Home Workshop***, please complete and return the bottom part by: Friday, January 27th, 2017.
