THE LIEUTENANT GOVERNOR OF ONTARIO  
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

October 2020

To the future students of H. A. Halbert Junior Public School:

First of all, let me congratulate you on this happy occasion. I am writing to you not long after the Thanksgiving long weekend in the school's 70th anniversary year.

This year has been the most challenging in recent memory. The COVID-19 pandemic erupted in March and already we have lost some 9,650 Canadians. Around the world, more than one million have perished. Currently we are in the beginning of a second wave of the virus. Unemployment and underemployment remain high. Many businesses have closed for good. Some of us have been working from home, yet many do not have that luxury. Doctors, nurses, public servants, and the so-called essential workers in the private sector have sacrificed so that we might continue in our daily lives.

Yet amid such uncertainty and devastation, we can still be thankful. Despite many trials, the pandemic has brought out the very best of who we are. We have seen the inherent resilience of humanity.

What gives me hope are wonderful stories of collaboration, empathy, creativity, and courage: all orders of government working together in common cause, scientists and researchers racing to develop a vaccine, industries retooling their production lines, economic and social innovation, reduced pollution, the empowerment of citizens, and the building of community.

Before us is a real opportunity to build back better, to change the way we do things, and to save our planet while strengthening our precious democracy. By the time this time capsule is opened, the 2030 Agenda for Sustainable Development is expected to have been achieved. I know that we are up to the task of making good on this promise to future generations, and this message comes with my fervent prayer that we will have succeeded.

I wish you a bright future.

Sincerely,

Elizabeth Dowdeswell

Dear Friends:

I am pleased to extend my warmest greetings to everyone celebrating the 70th anniversary of H. A. Halbert Junior Public School.
