THE LIEUTENANT GOVERNOR OF ONTARIO
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

October 2020

To the future students of H. A. Halbert Junior Public School:

First of all, let me congratulate you on this happy occasion. I am writing to you not long after the Thanksgiving long weekend in the school's 70th anniversary year.

This year has been the most challenging in recent memory. The COVID-19 pandemic erupted in March and already we have lost some 9,650 Canadians. Around the world, more than one million have perished. Currently we are in the beginning of a second wave of the virus. Unemployment and underemployment remain high. Many businesses have closed for good. Some of us have been working from home, yet many do not have that luxury. Doctors, nurses, public servants, and the so-called essential workers in the private sector have sacrificed so that we might continue in our daily lives.

Yet amid such uncertainty and devastation, we can still be thankful. Despite many trials, the pandemic has brought out the very best of who we are. We have seen the inherent resilience of humanity.

What gives me hope are wonderful stories of collaboration, empathy, creativity, and courage: all orders of government working together in common cause, scientists and researchers racing to develop a vaccine, industries retooling their production lines, economic and social innovation, reduced pollution, the empowerment of citizens, and the building of community.

Before us is a real opportunity to build back better, to change the way we do things, and to save our planet while strengthening our precious democracy. By the time this time capsule is opened, the 2030 Agenda for Sustainable Development is expected to have been achieved. I know that we are up to the task of making good on this promise to future generations, and this message comes with my fervent prayer that we will have succeeded.

I wish you a bright future.

Sincerely,

Elizabeth Dowdeswell

PRIME MINISTER • PREMIER MINISTRE

2020

Dear Friends:

I am pleased to extend my warmest greetings to everyone celebrating the 70th anniversary of H. A. Halbert Junior Public School.

In 1950, the groundwork was laid for a school that would emphasize academic achievement and promote personal responsibility and good citizenship. Over the years, H. A. Halbert Junior Public School has fostered a dynamic learning environment of which students and graduates can be proud.

As a former teacher, I understand and value the importance of a strong education system that equips young Canadians of all backgrounds with the tools and guidance they need to succeed in life. I would like to commend the principals, teachers and staff of H. A. Halbert Junior Public School, past and present, for helping to develop young minds and prepare students for the challenges and opportunities that await them.

Please accept my best wishes for continued success.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada

A MESSAGE FROM PREMIER DOUG FORD

I want to extend warm greetings to the teachers, staff, students and alumni of H.A. Halbert Junior PS as you mark the 70th Anniversary of your wonderful school.

Education is the best investment we can make in the future of our young people. As Premier and as an Ontarian, I am proud of our public schools. Schools such as yours have produced generations of thinkers, leaders and innovators, and helped form the citizens of this great province.

I thank the teachers and staff of H.A. Halbert Junior PS for seven decades of dedication to supporting educational excellence and civic spirit among the youth of the Cliffcrest community. I also want to thank the students and alumni of this school for your contributions to your community and our province.

I know this school year will be unlike any we have ever seen, but by working together, we can all play a part in keeping each other healthy and safe, and ensure our students continue to thrive and learn during these extraordinary times.

Best wishes for a meaningful anniversary and for many more years of success.
