Important Update

Important Update: “The Government of Ontario announced on May 19, 2020 that all publicly-funded schools in Ontario, including those in the Toronto District School Board, **will remain closed for the remainder of the 2019-2020 school year and that remote learning will continue until the end of June.**

We know that news of the extended closure may be challenging for some but this decision was made with the safety of students, staff and school communities in mind.”

School Advisory (Parent) Council

A great big thank you to HA Halbert's 19/20 School Advisory (Parent) Council for their leadership and their work in representing the voices of our school community throughout this school year. They will continue in their role as SAC Members during the transition to the 2020/2021 school year.

Picking Up of Personal Belongings

With the announcement of school closures into June, many families may begin to wonder about the many personal belongings left behind before the March Break (e.g., indoor shoes, boots, sweaters, coats, bags, etc.).

Halbert students will have an opportunity to pick up items left behind beginning **Tuesday, June 9, 2020.**

Please check your emails for instructions and your child's allotted time.

If you feel the items left behind are not essential for the moment, please know we will keep all the items and they will be available for pick up in the September.

Halbert Activity Day

A great big thank you to all the families and students who joined us for our Activity Day on Friday, June 5! It was a fun day! Stay tuned for another Rising Chefs for the 18th of June!

Report Cards

As you may have heard and read, the TDSB will be sending home report cards via email towards the end of June.

The report cards will cover the reporting periods of January 20, 2020 - March 13, 2020.

Teachers will not be available for contact for 2 half days this week. Teachers will connect with families letting them know which 2 half days they will take to write report cards.

Connecting with your child's teacher

During remote learning it is very important to stay in contact with your child's teachers. All of us are available to respond and communicate during instructional hours of 9 AM to 3 PM.

Each teacher uses different means to communicate to families. Some use Google Classroom, while others use e-mail, Class Dojo, Blooms or Remind App.

I encourage you to connect with your child's teacher using the normal means you would use other than calling the school.

Please do not hesitate to email me should you need to connect with your child's teacher.
