# Connecting with your child's teacher

During remote learning it is very important to stay in contact with your child's teachers. All of us are available to respond and communicate during instructional hours of 9 AM to 3 PM.

Each teacher uses different means to communicate to families. Some use Google Classroom, while others use e-mail, Class Dojo, Blooms or Remind App.

I encourage you to connect with your child's teacher using the normal means you would use other than calling the school.

Please do not hesitate to email me should you need to connect with your child's teacher.
