1:30 PM Performance

Families are welcome!

Please call the school at 416 396 6300
if your schedule permits you joining us!

Mr. Rowan and Ms. McMichael have been taking care of our fruits and vegetables given to us through the Grow Tower! Our first cucumber has bloomed!!!!

Last week our students learned how to make music through the App Garage Band! Mr. Joyce will be continuing this learning with students!

You should hear the beats the students made!! In fact, we will try to load them in the future (when we figure out how!))!! Maybe we'll ask Geek Squad! LOL!

Our students also had the opportunity to design their own houses using the App SketchUp! They had an opportunity to look at it from the top view, side view, front view, etc. Beginning the discussion of Engineering!

These are EV3s. They are robots that students could program to do amazing things - really all depends on the students' imaginations!

Purchasing an EV3 is one of our school's STEM goals!

These are the Halbert Junior Squad!

Thank you to the Geek Squad Academy!!

Safe Arrival Program

A reminder to call school if your child will be late or absent.

One measure of keeping our students safe is to ensure we can account for any absences or reasons for being late to school. If your child is going to be absent or late for any reason, we ask that you contact the school immediately and report the reason for the absence.
