Appreciation

A big thank you to Officer Rowe and Officer Gill who joined all of our students on Monday, April 29 to talk to our students about safety, bullying and being cyber safe! We have much to learn from our community partners and we are thankful for their leadership.

A big thank you to the family members who joined our Grade 5s and Kindergartens in planting this week! We look forward to caring for our new plants (in the Kindergarten yard!)

Appreciation

A big thank you to all of our families for supporting our Dress Loud Day last Friday, May 3! The students learned a lot from our Student Leaders about hearing loss and our role to support each other and to create a welcoming and inclusive learning space!

Emotional Literacy

Helping students understand their emotions is the first step to helping them understand possible responses.

Thank you to our Speech and Language Pathologist, Ms. Krofchik for working with our young learners to understand themselves.

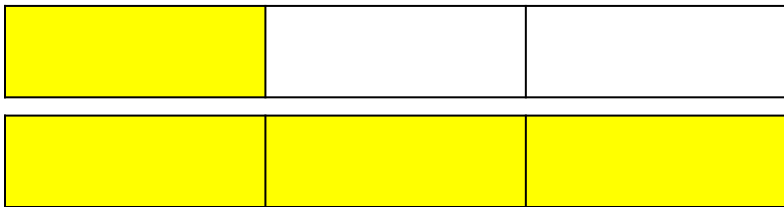

Emotional Literacy

Helping students understand their emotions is the first step to helping them understand possible responses.

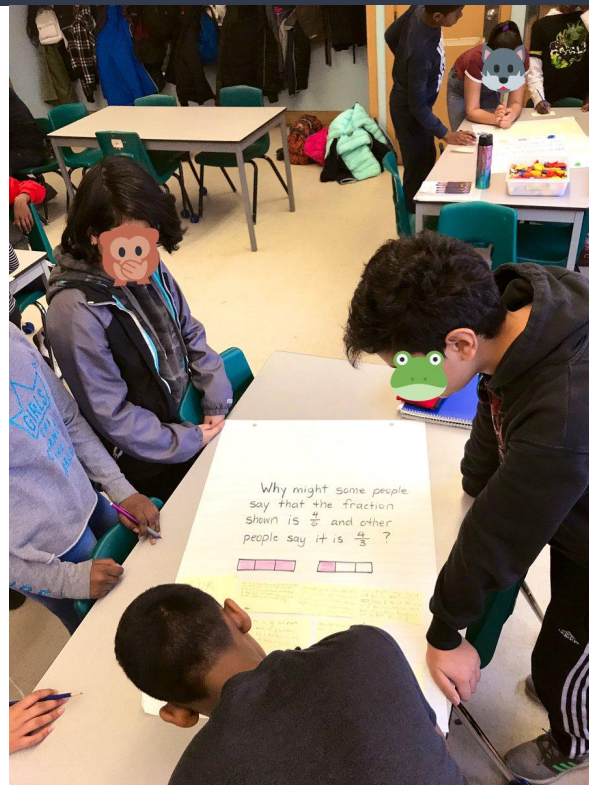

Here is Ms. Krofchik telling our students “We are learning to be the boss of our big strong feelings!”

Understanding Fractions

Why might some people say the fraction shown is $\frac{4}{6}$ and some people say $\frac{4}{3}$?

Understanding Fractions
