

Hybrid Remote Summer Credit Program

Available only to TDSB students

Registration Opens: May 25, 2020 at 10:00 a.m.

Registration Closes: June 26, 2020 at 12:00 noon

The Continuing Education Department is offering a Hybrid Remote Summer Credit Program for TDSB secondary school students **only** from July 6 to July 31. This program replaces the in-class summer school program which has operated in previous years. This program is called “hybrid” because it may include both online and in-class learning environments in accordance with the ongoing guidance of the Ministry of Education.

This program allows TDSB students to enrol in one **full-credit** course that is offered in July. The program includes courses in all subject areas from Grades 9 to 12, with a focus on compulsory courses. The list of courses available to students and registration information is on the [Continuing Education Summer School](#) web page.

Students in Grades 9 to 12 register for their requested course through e-Reg.

Course listing will be posted soon. For more information, visit www.creditprograms.ca
