Asst. Curriculum Shirley Sue (416) 393-1650

Leader: Student Support/Guidance

Virtus Et Doctrina

Our Mission

Our mission is to provide students with an environment that offers a variety of learning experiences in an academically engaging setting. As a school that offers an Extended and an Immersion French program, Harbord provides students the opportunity to study in both of Canada's official languages. By cultivating an atmosphere of academic rigour and responsibility, Harbord will prepare students to graduate and succeed at the post secondary destination of their choice. We will involve all of our partners – students and their parents or guardians as well as school staff and community resources – to explore and to resolve challenges that impede success. Harbord students will develop awareness of social justice, equity and environmental issues and the skills to effect positive change as leading citizens in their communities.

HIGHLIGHTS OF THE GRADE 9 PROGRAM
