

# HENRY KELSEY Senior Public School

Academics • Arts • Athletics • Student Leadership

**Your Neighbourhood School**

# At Henry Kelsey Senior Public School,

our priority is our students. We care about providing each and every one of our students with the support they need to reach their full potential. The proof is in our students. They are engaged, focused and ready to take on the world.

## Academics

- All-round academic programs
- STEM (Science, Technology, Engineering and Math) integrated into programming
- Inquiry Based Learning – fostering collaboration, creativity and innovation
- Junior Achievement Program in financial literacy
- Scientist in the Classroom Program – experiential learning opportunities led by trained scientists
- Academic competitions – University of Waterloo's Centre for Education and Mathematics Computing, Scarborough Association for Mathematics Education, Gauss Mathematics Contest
- Enhanced technology in the classroom – ipads, Google Classroom, smartboards, surface laptops
- Culturally relevant and responsive pedagogy
- Special education programs available to students

## Arts

- Instrumental music
- Instrumental band
- Visual art
- Student-led vocal performances

## Athletics

- Basketball
- Volleyball
- Soccer
- Badminton
- Track and Field
- Cross Country Running

- Smartboards in every classroom
- Access to design and technology equipment
- Two full size gymnasiums
- Soccer field
- Two baseball diamonds
- Outdoor basketball nets
- Bike racks
- School garden – managed by students and integrated into science programming
- Cafeteria that sells freshly prepared meals daily

*"I am a proud alumnus of Henry Kelsey SPS. I have very fond memories of friends, teachers, learning, becoming and growing. The richness of the curriculum fostered a journey of educational exploration and adventure that I did not foresee but took full advantage of. My experiences helped shape who I have become today and for this, I am incredibly grateful."*

*Gary Archibald, former student  
Meteorologist, Journalist and Television Anchor*
