School Yard Revitalization Project

*...just imagine!*

**Howard is revitalizing the school yard and playground!**

The days of a muddy school yard and little grass are over as we are planning the installation of artificial turf grass and playground enhancements.

To find out more about the benefits of artificial turf, the installation process and opportunities for adding school yard enhancements, join us on Wednesday, April 24 at 7pm in the Howard School Library.

**Wednesday April 24 @ 7pm**
