## PRINCIPAL'S MESSAGE

Dear Parents/Guardians:

The month of November is a time where we remember and appreciate all the men and women who lost their lives

protecting our country during times of war. We also remember those currently serving our country ensuring peace and safety throughout the world. Although, we cannot gather in an assembly this year, we will continue to honour our Canadian heroes on Remembrance Day, Wednesday, November 11<sup>th</sup>. Teachers will be working on a variety of activities leading up to Remembrance Day. On November 11<sup>th</sup>, we will have a few reading over the P.A. system and our moment of silence at 11:00 a.m.

Student progress reports will be sent home on November 16<sup>th</sup>. Parent/teacher interviews are scheduled for Nov. 19<sup>th</sup>. More information on how parent/teacher interviews will be held will follow once further direction is provided to us.

With the arrival of Fall, the days are getting colder and we ask parents to send children to school with warm clothing and shoes as they will be going outside for scheduled recesses and mask breaks. As well, for the younger students, please consider sending an extra set of clothing in case they get wet when playing outside.

Best Regards,  
R. Barone-Pace
