IONVIEW PUBLIC SCHOOL

AT IONVIEW,
BE THE CHANGE YOU WISH TO SEE IN
THE WORLD!

Hello Ionview!

We cannot believe that the strangest of school years has come to an end. With the many pivots, changes, and adjustments our students remained resilient and positive and that is something that we are so very impressed with. We also recognize and thank the entire Ionview community for your support as we know it has not been easy. Parents and Guardians we truly appreciate your partnership in support of all our students.

Over the summer you can expect a message from the school board regarding your preferences for student learning in the fall. The request form for Virtual School or In-Person learning will be sent out by the board on August 10th with it being due on August 16th. Please note that if the survey is not returned your child will be automatically placed in in-school learning.

With the end of school brings change and I would like to take a moment to wish the following staff well as they leave Ionview for new experiences. On behalf of the school I wish Ms. Mrzic, Ms. Uthayakumaran, Ms. Bailey and Ms. Tsetos all the best. Ms. DePompa is also leaving us but will be returning in 2022. I would like to also take a moment to welcome Ms. Williams, Ms. Everett, Ms. Karacorovski to the Ionview team.

A friendly reminder that loaned TDSB technology and school resources are to be returned beginning Monday June 28th. Please come to the front doors where you will be greeted by staff.

Have a lovely summer Ionview!
Mr. Gordon and Mrs. Fox-Casey

Summer Reading Programs:

1. TD Summer Reading Club

The TD Summer Reading Club is Canada's biggest, bilingual summer reading program for kids of all ages, interests and abilities. This free Club is offered at all of our Toronto Public Library branches. The Club celebrates Canadian authors, illustrators and stories, and inspires kids to explore the fun of reading their way, with the goal of building a lifelong love of reading. Kids can visit a Toronto Public Library branch to pick up their free reading kit to track their reading. The TD Summer Reading Club kids website will go live on June 15 at tdsummerreadingclub.ca For more information see the [digital program brochure](#) or [family information letter](#).

2. Toronto Public Library Summer Wonder

TPL's Summer Wonder is a set of virtual programs and activities for children 6-12 and their parents/caregivers. Each feature of Summer Wonder is designed to promote wonder, creativity and discovery, and encourages families to read and learn together all summer long. From June 14 to September 4, kids and families can post a question on our [Wonder Wall](#), take part in a Creativity Challenge, and access a range of programs including Arts & Performances, Author Visits, Camps & Workshops, French, and STEM. Families can find all of these program listings online at tpl.ca/summerwonder. For more information see the [Summer Wonder flyer](#).
