# IONVIEW PUBLIC SCHOOL

**AT IONVIEW,  
BE THE CHANGE YOU WISH TO SEE IN  
THE WORLD!**

## **Hello Ionview!**

**It has been a busy week of Remote Learning and we continue to be so pleased with our student's positive attitude and outlook. We all agree that this is not easy but we will continue to work together as a community to make Remote Learning the best possible experience that we can.**

**Many thanks to those who were able to join us for Aubrey Noronha's anti-racism conversation. We intend to continue to build and develop this relationship as his open, honest, and age appropriate message is something that we want to continue to build here at Ionview.**

**We know that vaccinations are key in helping us defeat COVID-19. We will continue to share, when we receive information the locations of pop up vaccination sites which are often connected to postal codes. We will continue to share any updates that we receive from the school board, TPH, and the city of Toronto as it relates to vaccinations, COVID testings, etc..**

**Families please continue to reach out if you require anything, we will most certainly, do our best to support you during these interesting times. Ionview be well and take good care.**

2. **TDSB Playgrounds and outdoor amenities:** The provincial government has confirmed that playgrounds can remain open as they are important for student health and wellness. As always, social distancing and outdoor gathering limits must be respected but we are glad that they remain available for the Ionview community.
3. **Mental Health and Wellbeing resources:** Ionview families please see link to TDSB mental health and wellbeing resources which also includes drop-in times to speak with TDSB support services which occur weekly. We hope that these links and resources are useful to you and your family during these interesting times.
