FERRY BOAT SAFETY PRESENTATIONS **RESCHEDULED**

Dear IPS Families,

Student safety is our number one concern. We continue to value our partnership with the Toronto Island Ferry Services to ensure the safe transportation of our students. Captain Dean Ennis has once again invited IPS Parents to a Ferry Safety presentation at the city-side docks on Tuesday February 5th beginning at 9:00am in the Warming Room ☺ In addition he will visit the school to present a School-wide Student Ferry Boat Safety presentation for ALL students on Wednesday, February 6th. See below for details ☺

Captain Dean has asked that we continue to provide him with the number of interested parents in order for him to plan effectively. Please RSVP me at Scott.Woolford@tdsb.on.ca if you plan to attend by Monday. If you have any questions regarding either presentation, please feel free to contact me at the school.

Regards,
Scott Woolford
Principal

IPS Parent Ferry Boat Safety Presentation - Tuesday February 5th @ 9:00am

- The Ferry Services has invited IPS Parents to a Ferry Boat Safety Presentation on Tuesday, February 5th beginning at 9:00am in the Warming Area at the ferry docks. Captain Dean Ennis will be sharing with parents the safety procedures and protocols for the Toronto Island ferry boats. This will be your opportunity to ask questions first-hand regarding the safe travel to and from the Island.

IPS School-wide Student Ferry Boat Safety Presentation - Wednesday, February 6th

- Captain Dean will also lead with students & staff a School-wide Student Ferry Safety Presentation on Wednesday, February 6th!
