

June 23, 2022

Dear Parents/Guardians, Students and Staff of Island Public School,

On June 23, 2022, the Toronto District School Board announced a series of promotions and transfers of Principals and Vice-Principals. At this time, it was announced that Gary Pieters was transferred to the position of Principal at Island Public School, effective September 1, 2022.

Mr. Pieters brings extensive administrative experience at the local and provincial level and is committed to strengthening relationships and connections with students and families. Mr. Pieters strives to improve and increase student voice and engagement by supporting and maintaining student leadership opportunities. He also leads with an anti-oppressive lens. We congratulate Mr. Pieters on his transfer.

We would like to thank Scott Woolford for his commitment to creating a culture of respect and accountability to improve practices through thoughtful collaboration and effective communication. He has nurtured and developed many valuable connections with students, staff and families and he will be dearly missed. Mr. Woolford will be transferred to Rose Avenue Jr. Public School, effective September 1, 2022. We are grateful to Mr. Woolford for his leadership this year.

Please join us again in thanking Mr. Woolford and welcoming Mr. Pieters to the Island Public School Community.

Yours truly,

Mary Linton
Superintendent of Education, LN22

Stephanie Donaldson
Trustee
