### IPS DROP-OFF AND PICK-UP STUDENT ROUTINES WINTER 2019-20

Dear Island Public School Families,

Please review the Island Public School Winter 2019-20 Transportation Routines which begin Monday, October 21<sup>st</sup>. If you have any questions regarding these routines, please do not hesitate to contact me at the school.

Regards,  
Scott Woolford  
Principal

#### IPS Parent Access Card

We have an agreement with the Toronto Ferry Port Authority that IPS Parents/Guardians are able to access the Jack Layton Ferry Docks pre-paid compound area temporarily in order to safely drop-off and pick-up their child(ren). This partnership allows both ticket and non-ticket holders access to the compound area beyond the entrance gates and also the entry and exit pathways. In order for IPS Parents/Guardians to continue to access the ferry compound with their child, they must show the **IPS Parent Access Card** to ferry dock staff. You may also take a picture of the access card and upload it to your cell phone to show when requested. If you require an additional card, please contact the school office.

#### Pick-Up & Drop-off Routines for the 2019-20 Winter Season

The safe arrival of all our students to school is our number one priority. The challenge that IPS continues to face is the ferry boat capacity of 220 passengers which cannot accommodate all of our students; therefore resulting in continuing to have various student pick-up/drop-off and entry/exit times. As you know the ferry is also shared by several other community groups including Gibraltar Day Nursery and Waterfront Montessori Children’s Centre. Due to the limited ferry capacity we continue to implement the following Pick-up & Drop-off routines.
