Mid-February 2020

Dear Island Public School Families:

We opened the month with Duane D.O. Gibson virtually stopping by IPS to share his Black History 365 Stay Driven message. All students had the opportunity to hear a storyteller share Viola Desmond's story of determination to stand up to racial segregation. On Ground Hog Day Warton Willie did not see his shadow which meant an early spring - YEAH! Other good news is we return to in-person learning on Tuesday, February 16th. For the month of February our Character Trait will continue to focus on 'Fairness'.

Just a reminder: On Friday, February 12th school is closed due to a P.A. Day for Parent-Teacher Interviews.

We are looking forward to virtually connecting on Thursday, February 11th for our Dance Your Heart Out!

We have recently moved to an automated call-out system. **When you receive a call, you are required to listen to the entire message and follow the prompts accordingly.**

Alternative Arrangements for Pick-up

If there are alternative arrangements for your child's dismissal or pick up (ie. going home early or someone else is picking up your child), please send a note to the office.

Inclement Weather

Recess & Weather Conditions

Elementary school students are kept indoors for recess and lunch times for a number of weather conditions such as rain, lightning in the area, extreme winds and extreme cold. When temperature and wind chill measure -28C or lower, students are kept indoors. Recesses & lunch hour may be shortened if the temperature & wind chill reading is between -28C & -20C.

If a student's medical condition requires further consideration due to weather conditions, or if parents have other questions or concerns about how and when weather conditions affect your child's school day, please contact the school office to speak with Mr. Woolford.

School Closures

This is a reminder to parents and guardians that during times when weather is severe, it is very important to check both the School's and the TDSB's website for information on bus cancellations.

Our school can only be accessed if buses are running. On occasion when weather becomes too severe, then buses must be cancelled. During COVID-19 restrictions, classes will pivot to remote learning.

[February is Chinese Heritage Month at the Toronto District School Board](#)

The Toronto District School Board is proud to recognize Chinese Heritage Month (CHM) during the month of February 2021. This year is the Year of the Ox: Loyal, Honest, Responsible, Hard-Working and Logical. Many Chinese Canadians will celebrate Lunar New Year on Friday, February 12. The Lunar New Year is also known as the spring festival and begins with the first moon of the lunar calendar and ends on the first full moon of the lunar calendar 15 days later. Though celebrations will be altered this year because of the pandemic, the spirit and joyfulness will remain the same through virtual events and in-home family-based festivities. Further information about these initiatives are currently available on our official CHM site <https://bit.ly/2021CHM>
