ISLAND PUBLIC SCHOOL 2019-20 SCHOOL YEAR
OPTIONAL ATTENDANCE STATUS

January 2019

Dear IPS Families

Island Public School continues to thrive! As we begin to move forward with the registration process of the 2019-20 school year our "Optional Attendance" status remains the same as last year. Please take a moment to read the information below.

Students who reside within the City of Toronto attend a school which is designated to serve their residential address. In accordance with the Toronto District School Board's Optional Attendance Policy, Island Public School will once again be considered "Closed" to Optional Attendance for the 2019-20 school year and will only accept registration of new students who reside within the attendance area.

To register a new student at Island Public School, families must live in one of the following district addresses:

- The Toronto Islands
- Harbour Square Apartments (all numbers)
- 1 – 145 Queen's Quay W. (odd numbers)
- 10 Queens Quay W. and 10 Yonge St.

Please be advised that if any student moves outside of the catchment area for Island Public School at any point during the school year, they will be required to register at the school designated by your home address. The "[Find Your School](#)" section of the TDSB website identifies the designated schools for each residential address.

If you have any questions regarding this information, please feel free to contact me at the school.

Regards,
S. Woolford
Principal
