WHAT TO DO NEXT:

Please click on the [Make A Donation](#) button once you are logged into TDSB Cashless Schools. Select Island Public School from the school drop down menu. A tax receipt will be issued from the TDSB for any financial donations made directly to the school. Any money raised by the school body and school council will remain with the school to invest in the students of IPS.

We are reaching out to see how over 200 Island Public School Children can count on your continued support in this fundraising effort and for what amount? Keep in mind that this fundraising effort benefits our children!
