January 6, 2020

Dear Parents/Guardians:

Your child, _____ has been recommended to participate in the After School Numeracy and/or EQAO Math Test Preparation Program.

This program will provide your child numeracy strategies and/or practice for the Grade 9 EQAO Math Test. **Classes will take place every Thursday from 11:30 a.m. – 12:15 p.m. in Room 302 from January 16, 2020 to March 26, 2020.** Teachers will work with small groups of students to develop specific numeracy skills. All Grade 9 Math students in Applied and Academic classes will write the Grade 9 Math Test in June 2020.

Together, we can support your child’s success as a student. As a staff, we are committed to providing additional numeracy support for our students. We need your support and consent to ensure that your child registers and attends all of the classes for this program. Funding for this program is based on registration and student attendance.

The program will begin **Thursday, January 16, 2020 from 11:30 a.m. – 12:15 p.m.** Students must register to participate as spaces are limited.

Please complete the registration portion below immediately and return it to Ms. Rigas in the Math Office (Room 303). Registration forms returned before January 16th will be prioritized.

Thank you.
Sincerely,

Michael Harvey
Principal
