

## Re: Textbooks

For All Classes:

All textbooks are the property of the school. Please keep them in good condition. At the end of the year there will be a charge for damaged or replacement costs for any lost textbooks. If you lose a textbook, you must purchase a replacement from your subject teacher or from the Main Office. **All textbooks must be handed in on the day students write their exams to their individual subject teacher.** **Students who do not have their assigned textbook must go to the Main Office and pay for their lost textbook BEFORE they are permitted to write their exam.** No extra time will be allotted for those students who must wait in line at the office while paying for their texts.

## Re: Bringing Valuables to school

For All Classes:

Students are advised to not bring their valuables to school. (Examples: Canada Goose jackets, cell phones, electronics). In spite of the best efforts of staff, classrooms, lockers, and change rooms are not entirely secure places. **The school is not responsible for lost or stolen articles. Do not bring cash, electronic devices, cell phones or other valuables to school as there is no guaranteed safe way to secure these items. The school is not responsible for lost or stolen articles.**

For PhysEd Classes:

Students are advised to not bring their valuables to school. It is particularly important to ensure that valuables are not left in vulnerable places during physical education classes. In spite of the best efforts of staff, change rooms and lockers are not entirely secure places. The school is not responsible for lost or stolen articles. Do not bring cash, electronic devices, cell phones or other valuables to the change rooms as there is no guaranteed safe way to secure these items. The school is not responsible for lost or stolen articles.
