## SAFE ARRIVAL

One measure of keeping our students safe is to ensure we can account for any absences or reasons for being late to school. We would like to remind you that if your child is going to be absent or late for any reason, we ask that you contact the school at 416-396-6365 and report the reason for the absence. If we are not informed about the absence, we will make attempts to contact you through our automated call-out system to determine the reason for the absence.

Please let the office know by calling the school if your contact information, including phone number, changes at any time throughout the school year.

Thank you for your continued cooperation to keep your children safe and accounted for.
