At the Toronto District School Board, our elementary schools offer Full-Day Kindergarten. Our educators recognize that children come to school with diverse backgrounds and rich experiences. Our Kindergarten programs will build upon these experiences and support your child to learn, grow, and succeed. At the TDSB, we believe our youngest learners benefit from engaging in a variety of rich and authentic learning, both indoors and outdoors. Our classroom programs are designed to bring The Kindergarten Program 2024 to life by providing children opportunities to learn through play, inquiry, and exploration. Throughout the two-year Kindergarten program, classroom educators support the children in developing their sense of belonging, well-being, and problem solving skills. Throughout the day, children explore literacy, mathematics, science, physical education and the arts.

To attend Junior Kindergarten in September, children must turn four-years-old by December 31, 2024 (Born in 2020) To register for Senior Kindergarten, children must be five-years-old by December 31. (Born in 2019)

Parents/guardians have to register via online registration (OLR) at:
