

Name	Mission Statement	Day/Time	Room	Student Contact	Teacher Advisor
Student Activity Council (SAC)	We, the SAC, aim to create unforgettable experiences for all students by promoting school spirit, solidarity, and good change. We strive to provide a vibrant and dynamic high school experience by organizing school events and empowering student voices.	Every 3rd Friday of the month at Lunch	117	Jatin Taploo	Gail Georgiou
Music Council	The Music Council is an inclusive and fun council for all students by promoting musical activities, advocating for education in the arts department, and encouraging everyone that joins our group while providing additional resources.	Mon & Wed at Lunch	144, 146, 148	Harsiga Suwedranathan	Arthur Luck
Mac in Action (MIA)	Mac In Action (MIA) is a student-led philanthropic and volunteer council that strives to promote community engagement with exciting activities and events at our school while also spreading awareness on social issues and raising money for charities.	Tues at Lunch	136	Azrael Goldberg & Leona Gao	Bhanuja Hardeo
Mac Reps	We, the Macdonald Representatives, are dedicated to fostering a vibrant and inclusive school community through the seamless organization and execution of impactful events. Our mission is to empower our fellow students, faculty, and parents by providing engaging and memorable experiences, while upholding the highest standards of event management. We represent the name of our school on our back.	Wed before school	130	Harriny Kanageswaran	Sandy Adal, Christina Violin, Magda Stavrou, Hellen Jun
Macdonald Environmental Action Council (MEAC)	MACs Environmental Council's mission is to promote environmental awareness throughout our school through events and seminars. We aim to protect the environment for the present and the future, ensuring a thriving planet for all living beings.	Every other Wed/Thurs at Lunch	208	Athena Hatzis	Jessica Jang
Macdonald Association of Canadian Cultures (MACC)	We are committed to promoting, educating and celebrating diversity and the varied cultures of MAC.	Wed after school	111	Anaisha Jain	Laura Geary, Hellen Jun
Athletic Council	The Athletic Council consists of a group of enthusiastic, hard-working individuals who work collaboratively to promote healthy active living to the student body. We focus on creating opportunities for all students to engage in physical activity through intramurals and athletic events.	Mon at Lunch	Gym 1/2	Keira Johson, Dafni Papsotiriou	Alisha Hunnisett, Mathew Karellas
Health Council	The Health Council strives to promote healthy habits and living in all aspects of student life at MAC, such as eating, fitness, mental health and relationships. Our dedicated executives plan events and seminars each month aligning with our monthly themes to teach about health and wellness in engaging ways.	Tues after school	Library	Romona Ghasemi, Victoria Oradauskas	Niki Mouratidis, Maria Katrivanos
Art Council	We create, share, and encourage creativity by valuing the efforts of every individual that contributes to a design's quality, building memories, communities, and connections along the way.	Thurs after school	142	Xinmeng Liu	Mimi Piperias
Yearbook Council	We, the Yearbook Committee, strive to document and capture the many wonderful memories experienced daily by our student body and staff. We approach this task with deep respect for the Macdonald community and its tradition of academic, artistic and athletic excellence. We are committed to representing all students, cultures and values, through the crystallization of our school's colourful diversity, within the body of one book	Monday after school	149	Survin Cheng	Len Steel

Mac News Council	At Mac News, we strive to amplify the voice of our school and our students. Our club offers students a chance to passionately discuss topics with diverse perspectives, with a commitment to transparency and accuracy. We aim to give all students a voice and help showcase their talents through compelling journalism and creative expression, empowering our student body.	Wed at lunch	114	Alina Liu, Selena Sarwari, Hannah Emberley	Magda Stavrou
Mac TV Council	In Mac TV, we deliver detailed reporting and update Mac students with the latest news of the school. Mac TV creates content through videos and broadcasts, and shares them on school televisions and social media for convenience. We hope to keep students informed and connected in the school community, anytime and anywhere.		149	Lia Sayegh, Zoe Cheng	Len Steel
Stage Crew Council	Stage crew is committed to light up and magnify the voices of the exceptional students at our school.	No set date	Auditorium	Anastasia Tsiopelas	Len Steel
Gender Sexuality Alliance (GSA)	We, the Gender Sexuality Alliance (GSA), strive to create a safe environment for students in the LGBTQ+ community at MAC. We aim to advocate and educate about the community through fundraisers and events.	Tues after school	128	Eli Mark, Vivian Li	Lisa Raposo, Sandy Andal
Black Student's Association (BSA)	The mission of the Black Students Association is to celebrate our cultural history as proud Black students and bring out positive change inside and outside of our school. We want to provide a supportive and empowering space where we can come together and contribute to larger social conversations, speaking on personal experiences living in Canada as Black teenagers. We hope to build a community that demonstrates representation, belonging, and strength.	Thurs at lunch	Library Seminar Room and Gym 3	Tristan Barnswell, Hana Tesfaye	Dave Rowe
FAB Lab	MAC Fab lab loves to innovate and push the limits. There are three departments: technology, aquaponics and agriculture. We work together to improve the school community and the area around the school.	Wed at lunch		Nima Ghalaenovi, Zarina Gibson	Len Steel
Distributive Education Clubs of America (DECA)	DECA is an international organization that prepares emerging leaders and entrepreneurs for careers in business. It caters to high school students and promotes critical thinking as well as problem-solving skills. We are DECA.	As needed		Abigal Parkinson, Panteleimon Paschalidis	Alex Tzotsis, Vivian Yang
French	MFC is a French social club where we promote the various aspects of French culture and language. Our club encourages students to go beyond learning the language and immerse themselves in the French environment through hands-on activities.	As required	104	François-Eöin Yen, Deema Al Hassan	Abby Edwards
Knitting	We, the Knitting Club, are dedicated to donating our time and energy to create blankets, scarves and the like for those who have need of them. We strive to be a helping hand in our community and to help support those who could use our help.	Tues at lunch	232	Sumedha Ghosh	Anduela Peza
Health Occupations Students of America (HOSA)	We, HOSA, are dedicated to empowering students who aspire to careers in health sciences. Our mission is to cultivate future health professionals by providing educational opportunities, fostering leadership skills, and promoting community service. Through a variety of engaging activities, workshops, and competitive events, we aim to inspire our members to achieve academic excellence, develop compassionate leadership, and commit to lifelong learning in the ever-evolving field of healthcare. Our goal is to support students in their journey to become knowledgeable, skilled, and caring health professionals who can make a positive impact on global health.	Wed or Thurs after school	209	Kelly Qiu	Andrew Plessas, Vivian Yang

Personal Projects Club	As heads of the Personal Projects Club (PPC), we're devoted to fostering an inclusive and judgement-free space where students can come together collectively and work on their passion projects. Coupled with our structured committee mentorship program, we strive to create a peak environment for creative ideas to come to fruition.	as needed		Diana Basarab, Erica Dewey	Matt Sheehan
Math	Our mission is to foster a supportive and engaging community for students who share a passion for mathematics. We aim to cultivate enthusiasm for math by providing opportunities for learning, exploration, and collaboration. Through interactive activities, competitions, and peer-led discussions, we strive to deepen our understanding of mathematical concepts and promote critical thinking skills. Our goal is to empower students to excel in math, develop confidence in their abilities, and inspire a lifelong appreciation for the beauty and relevance of mathematics.	Friday t lunch	225	Alease Wang	Addison Hung
Coding	The Mac Coding Club strives to foster an inclusive and welcoming space for students to explore and learn programming together. Whether you're a beginner or looking to sharpen your skills, our club provides the support needed to thrive in the world of coding. Coding Club allows you to enhance your abilities, discover new techniques, and be part of a community that's passionate about coding!	Tues at Lunch	228	Aima Jamshaid	Lei Xiao, Anduela Peza
Dance	As members of the dance club, dancing, having fun, and sharing this common interest is our goal. We aim to create a vibrant dance community with passion, creativity, and collaboration. Through rhythmic choreographies, we strive to energize our school spirit and contribute to the creative nature of our school.	Wed after school	Auditorium	Meghan Chao, Joy He	Terra Lasenby
Robotics	Our goal is to inspire students to develop essential skills in STEM through hands-on learning, teamwork, and innovation. By participating in robotics competitions and engaging in engineering challenges, students will have the opportunity to apply their knowledge in real-world scenarios, fostering problem-solving skills and preparing them for future careers in technology and engineering.	Mon & Thurs	Drama Room	Allan Su, Alexiss Turnquest	Matthew MacDonald
Muslim Student Association (MSA)	The purpose of this club shall be to bring together individuals of diverse cultures and backgrounds under one unified community. At the MSA, we embrace the principles of inclusivity, respect, and understanding. We recognize that diversity within the Muslim community is vast, and we welcome students from various Islamic traditions and cultural backgrounds, as well as students from other faiths. Our aim is to create a safe and supportive space where everyone feels valued and heard.	Wed at lunch 1-2 times per month	115	Sael Mohammad	Zainab Kizilbash
Hellenic Student Association (HSA)	Our vision at the MAC Hellenic Student Association is to create a close-knit community within our school. We aim to unite students, celebrating Greek culture and traditions, and creating long-lasting memories. Through various activities and events, we aspire to educate our peers about Greek Heritage while ensuring a fun and engaging environment. Additionally, we hope to see smiles on the faces of those in the Hellenic Home. OPAAAA!!!		114	Foti Fotiou	Magda Stavrou
Mac Workout Pals	The Protein Club is where students can receive one-on-one physical training from peer trainers, or mentor/train their peers if they have prior experience in physical fitness.			Zayd Shirzay	Terra Lasenby
Entrepreneurialship (EEP)	Our goal at the MAC Entrepreneurship Club is to create and provide exciting opportunities for MAC students by equipping them with the skills, resources, and mentorship they need to bring their visions to life and build a successful future. We aspire to create an environment that promotes creativity, skill development, and empowers students of all ages to confidently pursue their entrepreneurial goals.	Tues at lunch		Eshaan Rampersad	Alex Tzotsis

Library	<p>We, the library committee, have made it our goal to display all that the library has to offer to the students at MAC. The library isn't only a place where you can take out books; it also provides students with a quiet place to work on their homework and wind down after a stressful morning/day. It's a place where book lovers can get together and create a community. Our book club isn't the only opportunity that'll provide that sense of fulfillment; we also aim to provide all students the chance to partake in various activities throughout the year, such as elf on the shelf, blind date with a book, the bookmark contest, and much, much more.</p> <p>In the library, we make it a priority to respect and acknowledge the diversity in our school through monthly heritage displays and community based displays, as well as others.</p>		Library	Anderson Chiu-Lo, Fatima Boudair	Maria Katrivanos
STEM	MAC STEM Fellowship provides students passionate about the fields of Science, Technology, Engineering, and/or Math the opportunity to join a resourceful community. Through lab experiments, coding projects, and STEM-based activities, STEM Fellowship aims to promote student growth so that students can pursue a STEM-related career		208	Shashin Ebansaraj	Jessica Jang
Fashion	Express yourself through fashion	Tues at Lunch	124	Emma Singh	Veronica Beca
Board Game	We strive to create long lasting memories, a welcoming environment, and an encouraging community; one game at a time.	Thurs at Lunch	110	Sharon Jiang	Joanne Kotsopoulos
Table Tennis	The mission of the Table Tennis Club is to provide a fun and inclusive environment for students and a platform for table tennis enthusiasts. Our goal is to help members learn and improve their table tennis skills, promote physical fitness, and try to find like-minded friends through the sport. We are committed to encouraging teamwork, personal growth, and enjoying table tennis in a friendly and inclusive environment where we can progress together!	Wed after school	Cafeteria	Judy Chen	Matthew MacDonald
