

Europe's Mediterranean Coast Trip (March Break 2027)

Dear Families of **Grade 10 and 11 Students**,

We are reaching out with an exciting update regarding the **Europe's Mediterranean Coast** trip taking place during **March Break of 2027!**

We are thrilled to share that **22 students have already enrolled** and secured their spots on this incredible journey. If your student has been considering joining, now is the perfect time to enroll.

A limited-time discount of \$150 is available for all new enrolments received by June 30th. We encourage families to take advantage of this opportunity before it expires.

This trip offers students a rare chance to explore some of the world's most iconic destinations alongside their peers — building independence, cultural awareness, and memories that will last a lifetime. Educational travel of this nature is a meaningful complement to classroom learning, and we are proud to offer it to our students.

To enrol, please visit: <https://www.eftours.ca/tour-website/3029403DT>

The last day to enrol for this trip will be at some point in November, 2026. However, the price will increase the closer we get to the enrollment deadline and we cannot guarantee any further discounts.

Should you have any questions about the tour, the enrolment process, or payment options, please do not hesitate to reach out to me at gail.georgiou@tdsb.on.ca directly, or contact EF Educational Tours at **1-800-263-2806**. Their team is happy to assist.

Here are two links that highlight the adventures from last March Break's adventure to Paris, The Riviera and Rome:
