**Attendance:**

Remember the time and location of each of your examinations. Highlight the examinations you are to write, then fill in your timetable noting the subject, date and time of the exam, and location. It is the student’s responsibility to be at the correct place at the correct time for each of their examinations. If in doubt, ask your subject teacher for the location and date of your examination. Each day’s schedule will be posted near the main office.

**Lateness:**

Students who are late for examinations should go directly to their exam room. **No extra time will be given to a student arriving late for an examination.**

**Missed Examinations:**

Students who miss examinations due to illness **MUST** bring a doctor’s note dated the day of the missed exam to the Vice-Principal. Failure to provide a Doctor’s Certificate to the Vice-Principal will result in a mark of zero for the missed examination. Please avoid scheduling vacations or other events during this time that will result in your child missing exams, which will impact their academic achievement. Please also note that many culminating tasks and review activities take place in the weeks leading up to exams, so absences from school during this time should be avoided. This information can be found in the Student Planner under **MISSED EXAM POLICY.**

**Student Expectations:**

- Students must supply their own pens, pencils, rulers, erasers, math sets, calculators, and other materials required for their examination. Students may NOT share materials.
- Students cannot leave the examination room at any time during the examination and must remain in the examination room for the entire hour. An “on-call” teacher will supervise washroom emergencies.
- Students must refrain from lingering in the halls or corridors after their examinations, as other students may still be completing them.
- Students will only be admitted to their exams if all electronic devices (including cell phones), coats, and backpacks are either stored in their locker or left at the front of the classroom upon entering.
- NO food or drinks will be permitted in the exam room.
- All students should review their notes, textbooks, and course material to ensure they are ready for their exams.

**Academics Honesty:**

Students will not have access to any unauthorized materials which might be of assistance to them in writing the examination. Students who are caught cheating will be given a mark of **ZERO** for the examination and may be subject to other disciplinary action by the Vice-Principal.
