

Instrumental Music: STRINGS

AMS 101	Grade 9 Strings
AMS 201	Grade 10 Strings
AMS 3M1	Grade 11 Strings
AMS 4M1	Grade 12 Strings

This course emphasizes the creation and performance of music at a level consistent with previous experience. Students will develop musical literacy skills by using the creative and critical analysis processes in composition, performance, and a range of reflective activities.

Creating and Performing

Students will use practical application of skills and knowledge of theory as they relate to theory, performance and composition.

Students will learn a variety of techniques and technologies to improve their playing abilities.

Reflecting, Responding, Analyzing

Students will reflect, respond and analyze different types of music.

Students will demonstrate an understanding of how performing, creating, and critically analyzing music has affected their personal development.

Foundations

Students will develop an understanding of specific musical theory concepts, notation and musical terminology.

Students will develop an understanding of musical history and various forms of music from around the world.
