Dear Parents/Guardians,

The TDSB is implementing the mitigation measures outlined in ECOH's report. These measures were approved by the Board of Trustees on May 24, 2017, and are part of an agreement signed between the Toronto District School Board (TDSB) and KG Group.

In order to keep you updated on the progress of the work during the summer, the TDSB will post and update the attached chart on the school website every two weeks, starting on Wednesday, July 12.

Thank you. Have a great summer,
