

May 1, 2017

Dear Parents/Guardians and Community Members:

As a follow-up to the April 21st letter, we are pleased to provide you with additional details on the upcoming public meeting about the proposed development adjacent to the school. The meeting will be held on May 3rd at the North Toronto CI auditorium, 17 Broadway Avenue (Yonge and Eglinton) at 7:00 p.m. An independent moderator, David Caplan, will facilitate the event.

Mr. Caplan is a Vice-Chairman at Global Public Affairs. Previously, he was a member of the Legislative Assembly of Ontario for the riding of Don Valley East and a former cabinet minister. As Minister of Public Infrastructure Renewal, he led the planning for the province's first growth management plan for the Greater Golden Horseshoe.

Joining us at the meeting will be representatives from ECOH, the City of Toronto, the peer review consultant and developer (see agenda below). During the meeting, there will be an opportunity to answer questions you may have about the Phase II Risk Assessment Report and other related issues. A copy of the Phase II Risk Assessment Report is now available on the school website.

A child care staffed by TDSB employees will be available on-site. If you need child care, please let the school administration know by May 3rd. Please note there is no parking on-site; however, paid parking is available in the area.

We hope to see you on May 3rd. For regular updates, please visit the school website. If you have additional questions, please contact the school administration.

Sincerely,

A handwritten signature in black ink that reads "Beth Butcher".

Beth Butcher
Executive Superintendent LC1

A handwritten signature in black ink that reads "Bacopoulos".

Angelos Bacopoulos
Associate Director, Facilities, Sustainability and
Employee Services
